

FY 21-22 Total Employee Compensation Packages

Total compensation package means payment by the employer to the employee for salary, health insurance, a housing allowance, a vehicle allowance, a clothing allowance, bonuses, loans, vacation days granted, and sick days granted. Within 6 business days after an employer participating in the Illinois Municipal Retirement Fund approves a budget, that employer must post on its website the total compensation package for each employee having a total compensation package that exceeds \$75,000 per year.
