TERMS AND CONDITIONS

1. STANDARD OF PERFORMANCE

The standard of care for all professional engineering, consulting and related services performed or furnished by ENGINEER and its employees under this Agreement will be the care and skill ordinarily used by members of ENGINEER's profession practicing under the same or similar circumstances at the same time and in the same locality. ENGINEER makes no warranties, express or implied, under this Agreement or otherwise, in connection with ENGINEER's services.

2. INSURANCE

ENGINEER agrees to procure and maintain, at its expense, Workers' Compensation insurance as required by statute; Employer's Liability of \$250,000; Automobile Liability insurance of \$1,000,000 combined single limit for bodily injury and property damage covering all vehicles, including hired vehicles, owned and non-owned vehicles; Commercial General Liability insurance of \$500,000 per claim for protection against claims arising out of the performance of services under this Agreement caused by negligent acts, errors, or omissions for which ENGINEER is legally liable. Upon request, CLIENT/OWNER shall be made an additional insured on Commercial General and Automobile Liability insurance policies and certificates of insurance will be furnished to the CLIENT/OWNER. ENGINEER agrees to indemnify CLIENT/OWNER for the claims covered by ENGINEER's insurance.

3. OPINIONS OF PROBABLE COST (COST ESTIMATES)

Any opinions of probable project cost or probable construction cost provided by ENGINEER are made on the basis of information available to ENGINEER and on the basis of ENGINEER's experience and qualifications, and represents its judgment as an experienced and qualified professional. However, since ENGINEER has no control over the cost of labor, materials, equipment or services furnished by others, or over the contract(s)' methods of determining prices, or over competitive bidding or market conditions, ENGINEER does not guarantee that proposals, bids or actual project or construction cost will not vary from opinions of probable cost ENGINEER prepares.

4. CONSTRUCTION PROCEDURES

ENGINEER's observation or monitoring portions of the work performed under construction contracts shall not relieve the contractor from its responsibility for performing work in accordance with applicable contract documents. ENGINEER shall not control or have charge of, and shall not be responsible for, construction means, methods, techniques, sequences, procedures of construction, health or safety programs or precautions connected with the work and shall not manage, supervise, control or have charge of construction. ENGINEER shall not be responsible for the acts or omissions of the contractor or other parties on the project. ENGINEER shall be entitled to review all construction contract documents and to require that no provisions extend the duties or liabilities of ENGINEER beyond those set forth in this Agreement. CLIENT/OWNER agrees to include ENGINEER as an indemnified party in CLIENT/OWNER's construction contracts for the work, which shall protect ENGINEER to the same degree as CLIENT/OWNER. Further, CLIENT/OWNER agrees that ENGINEER shall be listed as an additional insured under the construction contractor's liability insurance policies.

5. CONTROLLING LAW

This Agreement is to be governed by the law of the state of Missouri or if agreed in writing with CLIENT/CLIENT/OWNER where ENGINEER'S services are performed.

6. SERVICES AND INFORMATION

CLIENT/OWNER will provide all criteria and information pertaining to CLIENT/OWNER's requirements for the project, including design objectives and constraints, space, capacity and performance requirements, flexibility and expandability, and any budgetary limitations. CLIENT/OWNER will also provide copies of any CLIENT/OWNER-furnished Standard Details, Standard Specifications, or Standard Bidding Documents which are to be incorporated into the project. CLIENT/OWNER will furnish the services of soils/geotechnical engineers or other consultants that include reports and appropriate professional recommendations when such services are deemed necessary by ENGINEER. The CLIENT/OWNER agrees to bear full responsibility for the technical

accuracy and content of CLIENT/OWNER-furnished documents and services.

In performing professional engineering, construction management, and related services hereunder, it is understood by CLIENT/OWNER that ENGINEER is not engaged in rendering any type of legal, insurance or accounting services, opinions or advice. Further, it is the CLIENT/OWNER's sole responsibility to obtain the advice of an attorney, insurance counselor or accountant to protect the CLIENT/OWNER's legal and financial interests. To that end, the CLIENT/OWNER agrees that CLIENT/OWNER or the CLIENT/OWNER's representative will examine all studies, reports, sketches, drawings, specifications, proposals and other documents, opinions or advice prepared or provided by ENGINEER, and will obtain the advice of an attorney, insurance counselor or other consultant as the CLIENT/OWNER deems necessary to protect the CLIENT/OWNER's interests before CLIENT/OWNER takes action or forebears to take action based upon or relying upon the services provided by ENGINEER.

7. SUCCESSORS AND ASSIGNS

CLIENT/OWNER and ENGINEER, respectively, bind themselves, their partners, successors, assigns, and legal representatives to the covenants of this Agreement. Neither CLIENT/OWNER nor ENGINEER will assign, sublet, or transfer and interest in this Agreement or claims arising therefrom without the written consent of the other.

8. RE-USE OF DOCUMENTS

All documents, including all reports, drawings, specifications, computer software or other items prepared or furnished by ENGINEER pursuant to this Agreement, are instruments of service with respect to the project. ENGINEER retains ownership of all such documents. CLIENT/OWNER may retain copies of the documents for its information and reference in connection with the project; however, none of the documents are intended or represented to be suitable for reuse by CLIENT/OWNER or others on extensions of the project or on any other project. Any reuse without written verification or adaptation by ENGINEER for the specific purpose intended will be at CLIENT/OWNER's sole risk and without liability or legal exposure to ENGINEER, and CLIENT/OWNER will define, indemnify and hold harmless ENGINEER from all claims, damages, losses and expenses, including attorney's fees, arising or resulting therefrom. Any such verification or adaptation will entitle ENGINEER to further compensation at rates to be agreed upon by CLIENT/OWNER and ENGINEER.

9. TERMINATION OF AGREEMENT

CLIENT/OWNER or ENGINEER may terminate the Agreement, in whole or in part, by giving no less than ten (10) business days written notice, if the other party substantially fails to fulfill its obligations under the Agreement through no fault of the terminating party. Where the method of payment is "lump sum," time & material, or cost reimbursement, the final invoice will include all services and expenses associated with the project up to the effective date of termination plus a fifteen percent fee mark-up for the final invoice amount. An equitable adjustment shall also be made to provide for termination settlement costs ENGINEER incurs as a result of commitments that had become agreed upon before termination, and for a reasonable profit for services performed.

10. SEVERABILITY

If any provision of this agreement is held invalid or unenforceable, the remaining provisions shall be valid and binding upon the parties. One or more waivers by either party of any provision, term or condition shall not be construed by the other party as a waiver of any subsequent breach of the same provision, term or condition.

11. INVOICES

ENGINEER will submit invoices for services rendered and CLIENT/OWNER will make prompt payments in response to ENGINEER's invoices. ENGINEER will retain receipts for reimbursable expenses in general accordance with rules pertaining to the support of expenditures for income tax purposes. Receipts will be available for inspection by CLIENT/OWNER's auditors upon request.

If CLIENT/OWNER disputes any items in ENGINEER's invoice for any reason, including the lack of supporting documentation, CLIENT/OWNER may temporarily delete the disputed item and pay the remaining amount of the invoice, so as not to hold payment. CLIENT/OWNER will promptly notify ENGINEER of the dispute and request clarification and/or correction. After any dispute has been settled, ENGINEER will include the disputed item on a subsequent, regularly scheduled invoice, or on a special invoice for the disputed item only.

CLIENT/OWNER recognizes that late payment of invoices results in extra expenses for ENGINEER; ENGINEER retains the right to assess CLIENT/OWNER interest at the rate of one percent (1%) per month, but not to exceed the maximum rate allowed by law, on invoices which are not paid within thirty (30) calendar days from the date of the invoice. In the event undisputed portions of ENGINEER's invoices are not paid when due, ENGINEER also reserves the right, after seven (7) business days prior written notice, to suspend the performance of its services until all past due amounts have been paid in full.

12. CHANGES

The parties agree that no change or modification to the Agreement, or Task Order, or any attachments hereto, shall have any force or effect unless the change is reduced to writing, dated, and made part of the Task Order. The execution of the change shall be authorized and signed in the same manner as this Agreement. Adjustments in the period of services and in compensation shall be in accordance with applicable paragraphs and sections of the Task Order. Any proposed fees by ENGINEER are estimates to perform the services required to complete the project as ENGINEER understands it to be defined. For those projects involving conceptual or process development services, activities often are not fully definable in the time of performance and compensation scope and adjustments to the time of performance and compensation can be made as required. If such change, additional services, or suspension of services results in an increase or decrease in the cost of or time required for performance of the services, and equitable adjustment shall be made, and the Task Order modified accordingly.

13. CONTROLLING AGREEMENT

These Terms and Conditions shall take precedence over any inconsistent or contradictory provisions contained in any proposal, contract, purchase order, requisition, notice-to-proceed, or like document or Task Order.

14. EQUAL EMPLOYMENT AND NONDISCRIMINATION

In connection with the services under the Agreement, ENGINEER agrees to comply with the applicable provisions of federal and state Equal Employment Opportunity, and other employment, statutes and regulations.

15. HAZARDOUS MATERIALS

CLIENT/OWNER represents to ENGINEER that, to the best of its knowledge, no hazardous materials are present at the project site. However, in the event hazardous materials are known to be present, CLIENT/OWNER represents that to the best of its knowledge it has disclosed to ENGINEER the existence of all such hazardous materials, including but not limited to asbestos, PCB's, petroleum, hazardous waste, or radioactive material located at or near the project site, including type, quantity and location of such hazardous materials. It is acknowledged by both parties that ENGINEER's scope of services do not include services related in any way to encounters undisclosed hazardous materials, ENGINEER shall have the obligation to notify CLIENT/OWNER and, to the extent required by law or regulation, the appropriate governmental officials, and ENGINEER may, at its option and without liability for delay, consequential or any other damages to CLIENT/OWNER, suspend performance of services on that portion of the project affected by hazardous materials until CLIENT/OWNER: (i) retains appropriate specialist consultant(s) or contractor(s) to identify and, as appropriate, abate, remediate, or remove the hazardous materials; and (ii) warrants that the project site is in full compliance with all applicable laws and regulations.

CLIENT/OWNER acknowledges that ENGINEER is performing professional services for CLIENT/OWNER and that ENGINEER is not and shall not be required to become an "arranger," "operator," "generator," or "transporter" of hazardous materials, as defined in the Comprehensive Environmental Response, Compensation, and Liability Act of 1990 (CERCLA), which are or may be encountered at or near the project site in connection with ENGINEER's services under this

Task Order. If ENGINEER's services hereunder cannot be performed because of the existence of hazardous materials, ENGINEER shall be entitled to terminate this Task Order for cause on 30 calendar days written notice. To the fullest extent permitted by law, CLIENT/OWNER shall indemnify and hold harmless ENGINEER, its officers, directors, partners, employees, and subconsultants from and against all costs, losses, and damages (including but not limited to all fees and charges of engineers, architects, attorneys, and other professionals, and all court or arbitration or other dispute resolution costs) caused by, arising out of or resulting from hazardous materials, provided that (i) any such cost, loss, or damage is attributable to bodily injury, sickness, disease, or death, or injury to or destruction of tangible property (other than completed Work), including the loss of use resulting there from, and (ii) nothing in this paragraph shall obligate CLIENT/OWNER to indemnify any individual or entity from and against the consequences of that individual's or entity's sole negligence or willful misconduct.

16. EXECUTION

This Agreement and subsequent changes, including the exhibits and schedules made part hereof, constitute the entire agreement between ENGINEER and CLIENT/OWNER, supersedes and controls over all prior written or oral understandings. This agreement may be amended, supplemented or modified only by a written instrument duly executed by the parties.

17. LIMITATION OF LIABILITY

ENGINEER's and its employees' total liability to CLIENT/OWNER for any loss or damage, including but not limited to special and consequential damages arising out of or in connection with the performance of services or any other cause, including ENGINEER's and its employees' professional negligent acts, errors, or omissions, shall not exceed the lesser of \$5,000 or the total compensation received by ENGINEER hereunder, and CLIENT/OWNER hereby releases and holds harmless ENGINEER and its employees from any liability above such amount.

18. LITIGATION SUPPORT

In the event ENGINEER is required to respond to a subpoena, government inquiry or other legal process related to the services in connection with a legal or dispute resolution proceeding to which ENGINEER is not a party, CLIENT/OWNER shall reimburse ENGINEER for reasonable costs in responding and compensate ENGINEER at its then standard rates for reasonable time incurred in gathering information and documents and attending depositions, hearings, and trial.

19. UTILITY LOCATION

If underground sampling/testing is to be performed, a utility locating service shall be contracted to make arrangements for all utilities to determine the location of underground utilities. In addition, CLIENT/OWNER shall notify ENGINEER of the presence and location of any underground utilities located on the CLIENT/OWNER's property which are not the responsibility of other private/public utilities. ENGINEER shall take reasonable precautions to avoid damaging underground utilities that are properly marked. The CLIENT/OWNER agrees to waive any claim against ENGINEER and will indemnify and hold ENGINEER harmless from any claim of liability, injury or loss caused by or allegedly caused by ENGINEER's damaging of underground utilities that are not properly marked or are not called to ENGINEER's attention prior to beginning the underground sampling/testing.

20. ESCALATION

Annual rate escalation of 6% effective January 1, 2026.

21. PREPAYMENT

Upon acceptance of this Agreement by the CLIENT/OWNER, a payment of 6% of the total fee may be required to initialize the project and may be exercised by ENGINEER at any time.

22. JOB CANCELLATION FOR CONVENIENCE FEE

Because of potentially significant revenues from other projects forgone by the ENGINEER to take this project, if the project is cancelled by the CLIENT/OWNER, a cancellation fee of 10% of contract will be immediately due and payable for project's current billings, work-in-progress, and reimbursable expenses.

23. **PROJECT RESTART FEE**

Because of substantial cost incurred by the ENGINEER to stop and restart a project once it is underway, should this project's progress be halted at any time for thirty (30) or more calendar days by the CLIENT/OWNER, for any reason, a project restart fee of 10% of the total contract fee to date will be due and payable immediately.

24. **LATE PENALTY SCHEDULE**

All invoices not paid promptly will be subject to the following late payment penalty: 30 to 59 calendar days overdue, \$650; 60 to 89 calendar days overdue, \$850; 90 to 120 calendar days overdue, \$1250; in addition to the interest charges as outlined in term and condition 11.

25. **LIMITATION OF DESIGN ALTERNATIVES**

The ENGINEER will limit the number of design alternatives provided under this contract to three, upon which time the design will be considered complete.

26. **GRAPHICS CONTROL**

Because of its standing as a professional design firm, the ENGINEER has complete control over graphic content and presentation of all studies, reports, and all other documents produced under this agreement.

27. **HIGHER FEES PAID FOR CHANGES**

Any changes requested by the CLIENT/OWNER to the scope of services provided under this agreement after acceptance of 25% completion will be billed at 1.15 times billing rates.

Accounting records must contain information pertaining to State and federal pass-through awards, authorizations, Obligations, unobligated balances, assets, outlays, and income. These records must be maintained on a current basis and balanced at least quarterly. Cash contributions to the Program from third parties must be accounted for in the general ledger with other Grant Funds. (ii) If records do not meet the standards in 2 CFR 200.430, then Grantor may notify Grantee in **PART TWO, PART THREE** or **Exhibit E** of the requirement to submit personnel activity reports. 2 CFR 200.430(g)(8). Personnel activity reports must account on an after-the-fact basis for one hundred percent (100%) of the employee's actual time, separately indicating the time spent on the Award, other grants or projects, vacation or sick leave, and administrative time, if applicable. The reports must be signed by the employee, approved by the appropriate official, and coincide with a pay period. These time records must be used to record the distribution of salary costs to the appropriate accounts no less frequently than quarterly.

(iv) If third party in-kind (non-cash) contributions are used for Award purposes, the valuation of these contributions must be supported with adequate documentation.

(c) **Internal Control.** Grantee must maintain effective control and accountability for all cash, real and personal property, and other assets. Grantee must adequately safeguard all such property and must provide assurance that it is used solely for authorized purposes. Grantee must also have systems in place that provide reasonable assurance that the information is accurate, allowable, and compliant with the terms and conditions of this Agreement. 2 CFR 200.303.

(e) **Cash Management.** Requests for advance payment must be limited to Grantee's immediate cash needs. Grantee must have written procedures to minimize the time elapsing between the receipt and the disbursement of Grant Funds to avoid having excess funds on hand. 2 CFR 200.305.

Additionally, Grantee certifies that it has filed the required certification under the Byrd Anti-Lobbying Amendment (31 USC 1352), if applicable.

8.2. **Federal Form LLL.** If any federal funds, other than federally-appropriated funds, were paid or will be paid to any person for influencing or attempting to influence any of the above persons in connection with this Agreement, the undersigned must also complete and submit Federal Form LLL, Disclosure of Lobbying Activities Form, in accordance with its instructions.

8.3. **Lobbying Costs.** Grantee certifies that it is in compliance with the restrictions on lobbying set forth in 2 CFR 200.450. For any Indirect Costs associated with this Agreement, total lobbying costs must be separately identified in the Program Budget, and thereafter treated as other Unallowable Costs.

8.4. **Procurement Lobbying.** Grantee warrants and certifies that it and, to the best of its knowledge, its subrecipients have complied and will comply with Illinois Executive Order No. 1 (2007) (EO 1-2007). EO 1-2007 generally prohibits grantees and subcontractors from hiring the then-serving Governor's family members to lobby procurement activities of the State, or any other unit of government in Illinois including local governments, if that procurement may result in a contract valued at over \$25,000. This prohibition also applies to hiring for that same purpose any former State employee who had procurement authority at any time during the one-year period preceding the procurement lobbying activity.

8.5. **Subawards.** Grantee must include the language of this ARTICLE in the award documents for any subawards made pursuant to this Award at all tiers. All subrecipients are also subject to certification and disclosure. Pursuant to Appendix II(I) to 2 CFR Part 200, Grantee must forward all disclosures by contractors regarding this certification to Grantor.

8.6. **Certification.** This certification is a material representation of fact upon which reliance was placed to enter into this transaction and is a prerequisite for this transaction, pursuant to 31 USC 1352. Any person who fails to file the required certifications will be subject to a civil penalty of not less than \$10,000, and not more than \$100,000, for each such failure.

Admin. Code 7000.430(a) and (b) or **PART TWO** or **PART THREE**. If any litigation, claim or audit is started before the expiration of the retention period, the records must be retained until all litigation, claims or audit exceptions involving the records have been resolved and final action taken.

9.2. Accessibility of Records. Grantee, in compliance with 2 CFR 200.337 and 44 Ill. Admin. Code 7000.430(f), must make books, records, related papers, supporting documentation and personnel relevant to this Agreement available to authorized Grantor representatives, the Illinois Auditor General, Illinois Attorney General, any Executive Inspector General, Grantor's Inspector General, federal authorities, any person identified in 2 CFR 200.337, and any other person as may be authorized by Grantor (including auditors), by the State of Illinois or by federal statute. Grantee must cooperate fully in any such audit or inquiry.

9.3. Failure to Maintain Books and Records. Failure to maintain adequate books, records and supporting documentation, as described in this ARTICLE, will result in the disallowance of costs for which there is insufficient supporting documentation and also establishes a presumption in favor of the State for the recovery of any Grant Funds paid by the State under this Agreement for which adequate books, records and supporting documentation are not available to support disbursement.

9.4. Monitoring and Access to Information. Grantee must monitor its activities to assure compliance with applicable state and federal requirements and to assure its performance expectations are being achieved. Grantor will monitor the activities of Grantee to assure compliance with all requirements, including applicable programmatic rules, regulations, and guidelines that the Grantor promulgates or implements, and performance expectations of the Award. Grantee must timely submit all financial and performance reports, and must supply, upon Grantor's request, documents and information relevant to the Award. (b) If an audit or review of Grantee occurs and results in adjustments after Grantee submits a Close-out Report, Grantee must submit a new financial Close-out Report based on audit adjustments, and immediately submit a refund to Grantor, if applicable. 2 CFR 200.345; 44 Ill. Admin. Code 7000.450.

10.3. Effect of Failure to Comply. Failure to comply with the reporting requirements in this Agreement may cause a delay or suspension of funding or require the return of improper payments or Unallowable Costs, and will be considered a material breach of this Agreement. Grantee's failure to comply with ARTICLE X, ARTICLE XI, or ARTICLE XVII will be considered prima facie evidence of a breach and may be admitted as such, without further proof, into evidence in an administrative proceeding before Grantor, or in any other legal proceeding. Grantee should refer to the State Grantee Compliance Enforcement System for policy and consequences for failure to comply. 44 Ill. Admin. Code 7000.80.

Grantee must submit a performance Close-out Report, in the format required by Grantor by the due date specified in **PART TWO** or **PART THREE**, which must be no later than 60 calendar days following the end of the Period of Performance or Agreement termination. 2 CFR 200.344; 44 Ill. Additional content and format guidelines for the performance reports will be determined by Grantor contingent on the Award's statutory, regulatory and administrative requirements, and are included in **PART TWO** or **PART THREE** of this Agreement.

ARTICLE XII AUDIT REQUIREMENTS

12.1. Audits. Grantee is subject to the audit requirements contained in the Single Audit Act Amendments of 1996 (31 USC 7501-7507), Subpart F of 2 CFR Part 200, and the audit rules and policies set forth by the Governor's Office of Management and Budget. 30 ILCS 708/65(c); 44 Ill. 12.2. Consolidated Year-End Financial Reports (CYEFR). All grantees must complete and submit a CYEFR through the Grantee Portal, except those exempted by federal or State statute or regulation, as set forth in **PART TWO** or **PART THREE**. The CYEFR is a required schedule in Grantee's audit report if Grantee is required to complete and submit an audit report as set forth herein.

(a) Grantee's CYEFR must cover the same period as the audited financial statements, if required, and must be submitted in accordance with the audit schedule at 44 Ill. Admin. Code 7000.90. The due date of all required submissions set forth in this Paragraph is the earlier of (i) thirty (30) calendar days after receipt of the auditor's report(s) or (ii) nine (9) months after the end of Grantee's audit period.

(c) Financial Statement Audit. If, during its fiscal year, Grantee expends less than \$1,000,000 in federal Awards, Grantee is subject to the following audit requirements:

The audit report packet must be completed as described in 2 CFR 200.507 (program-specific audit), 44 Ill. Admin. Code 7000.90 and the current GATA audit manual, and must be submitted to the Grantee Portal. (d) **Publicly-Traded Entities.** If Grantee is a publicly-traded company, Grantee is not subject to the single audit or program-specific audit requirements, but must submit its annual audit conducted in accordance with its regulatory requirements.

12.5. **Performance of Audits.** For those organizations required to submit an independent audit report, the audit must be conducted by the Illinois Auditor General (as required for certain governmental entities only), or a Certified Public Accountant or Certified Public Accounting Firm licensed in the State of Illinois or in accordance with Section 5.2 of the Illinois Public Accounting Act (225 ILCS 450/5.2). For all audits required to be performed subject to GAGAS or Generally Accepted Auditing Standards, Grantee must request and maintain on file a copy of the auditor's most recent peer review report and acceptance letter. Grantee must follow procedures prescribed by Grantor for the preparation and submission of audit reports and any related documents.

12.6. **Delinquent Reports.** When audit reports or financial statements required under this ARTICLE are prepared by the Illinois Auditor General, if they are not available by the above-specified due date, they must be provided to Grantor within thirty (30) days of becoming available. Grantee should refer to the State Grantee Compliance Enforcement System for the policy and consequences for late reporting. 44 Ill. Admin. Code 7000.80.

ARTICLE XIII TERMINATION; SUSPENSION; NON-COMPLIANCE

13.1. Termination.

(a) Either Party may terminate this Agreement, in whole or in part, upon thirty (30) calendar days' prior written notice to the other Party.

(b) If terminated by the Grantee, Grantee must include the reasons for such termination, the effective date, and, in the case of a partial termination, the portion to be terminated. If Grantor determines in the case of a partial termination that the reduced or modified portion of the Award will not accomplish the purposes for which the Award was made, Grantor may terminate the Agreement in its entirety. 2 CFR 200.340(a)(3).

(c) This Agreement may be terminated, in whole or in part, by Grantor:

(i) Pursuant to a funding failure under Paragraph 4.1;

(ii) If Grantee fails to comply with the terms and conditions of this or any Award, application or proposal, including any applicable rules or regulations, or has made a false representation in connection with the receipt of this or any Award; or

(iii) If the Award no longer effectuates the Program goals or agency priorities and if this termination is permitted in the terms and conditions of the Award, which must be detailed in Exhibit A, PART TWO or PART THREE.

13.2. Suspension. Grantor may suspend this Agreement, in whole or in part, pursuant to a funding failure under Paragraph 4.1 or if the Grantee fails to comply with terms and conditions of this or any Award. If suspension is due to Grantee's failure to comply, Grantor may withhold further payment and prohibit Grantee from incurring additional Obligations pending corrective action by Grantee or a decision to terminate this Agreement by Grantor. Grantor may allow necessary and proper costs that Grantee could not reasonably avoid during the period of suspension.

13.3. Non-compliance. If Grantee fails to comply with the U.S. Constitution, applicable statutes, regulations or the terms and conditions of this or any Award, Grantor may impose additional conditions on Grantee, as described in 2 CFR 200.208. If Grantor determines that non-compliance cannot be remedied by imposing additional conditions, Grantor may take one or more of the actions described in 2 CFR 200.339. The Parties must follow all Grantor policies and procedures regarding non-compliance, including, but not limited to, the procedures set forth in the State Grantee Compliance Enforcement System. 44 Ill. Admin. Code 7000.80 and 7000.260.

13.4. Objection. If Grantor suspends or terminates this Agreement, in whole or in part, for cause, or takes any other action in response to Grantee's non-compliance, Grantee may avail itself of any opportunities to object and challenge such suspension, termination or other action by Grantor in accordance with any applicable processes and procedures, including, but not limited to, the procedures set forth in the State Grantee Compliance Enforcement System. 2 CFR 200.342; 44 Ill. Admin. Code 7000.80 and 7000.260.

(a) Grantor may credit Grantee for allowable expenditures incurred in the performance of authorized services under this Agreement prior to the effective date of a suspension or termination.

(b) Except as set forth in subparagraph (c), below, Grantee must not incur any costs or Obligations that require the use of Grant Funds after the effective date of a suspension or termination, and must cancel as many outstanding Obligations as possible.

(c) Costs to Grantee resulting from Obligations incurred by Grantee during a suspension or after termination of the Agreement are not allowable unless Grantor expressly authorizes them in the notice of suspension or termination or subsequently. However, Grantor may allow costs during a suspension or after termination if:

(i) The costs result from Obligations properly incurred before the effective date of suspension or termination, are not in anticipation of the suspension or termination, and the costs would be allowable if the Agreement was not suspended or terminated prematurely. 2 CFR 200.343.

13.6. Close-out of Terminated Agreements. If this Agreement is terminated, in whole or in part, the Parties must comply with all close-out and post-termination requirements of this Agreement. 2 CFR 200.340(d).

ARTICLE XIV
SUBCONTRACTS/SUBAWARDS

14.1. Subcontracting/Subrecipients/Delegation. Grantee must not subcontract nor issue a subaward for any portion of this Agreement nor delegate any duties hereunder without Prior Approval of Grantor. The requirement for Prior Approval is satisfied if the subcontractor or subrecipient has been identified in the uniform grant application, such as, without limitation, a Project description, and Grantor has approved. Grantee must follow all applicable requirements set forth in 2 CFR 200.332.

14.2. Application of Terms. If Grantee enters into a subaward agreement with a subrecipient, Grantee must notify the subrecipient of the applicable laws and regulations and terms and conditions of this Award by attaching this Agreement to the subaward agreement. The terms of this Agreement apply to all subawards authorized in accordance with Paragraph 14.1. 2 CFR 200.101(b).

14.3. Liability as Guaranty. Grantee will be liable as guarantor for any Grant Funds it obligates to a subrecipient or subcontractor pursuant to this ARTICLE in the event Grantor determines the funds were either misspent or are being improperly held and the subrecipient or subcontractor is insolvent or otherwise fails to return the funds. 2 CFR 200.345; 30 ILCS 705/6; 44 Ill. Admin. Code 7000.450(a).

ARTICLE XV NOTICE OF CHANGE

15.1. Notice of Change. Grantee must notify Grantor if there is a change in Grantee's legal status, FEIN, UEI, SAM registration status, Related Parties, senior management (for non-governmental grantees only) or address. If the change is anticipated, Grantee must give thirty (30) days' prior written notice to Grantor. If the change is unanticipated, Grantee must give notice as soon as practicable thereafter. Grantor reserves the right to take any and all appropriate action as a result of such change(s).

15.2. Failure to Provide Notification. To the extent permitted by Illinois law (see Paragraph 21.2), Grantee must hold harmless Grantor for any acts or omissions of Grantor resulting from Grantee's failure to notify Grantor as required by Paragraph 15.1.

15.3. Notice of Impact. Grantee must notify Grantor in writing of any event, including, by not limited to, becoming a party to litigation, an investigation, or transaction that may have a material impact on Grantee's ability to perform under this Agreement. Grantee must provide notice to Grantor as soon as possible, but no later than five (5) days after Grantee becomes aware that the event may have a material impact.

15.4. Effect of Failure to Provide Notice. Failure to provide the notice described in this ARTICLE is grounds for termination of this Agreement and any costs incurred after the date notice should have been given may be disallowed.

ARTICLE XVI STRUCTURAL REORGANIZATION AND RECONSTITUTION OF BOARD MEMBERSHIP

16.1. Effect of Reorganization. This Agreement is made by and between Grantor and Grantee, as Grantee is currently organized and constituted. Grantor does not agree to continue this Agreement, or any license related thereto, should Grantee significantly reorganize or otherwise substantially change the character of its corporate structure, business structure or governance structure. Grantee must give Grantor prior notice of any such action or changes significantly affecting its overall structure or, for non-governmental grantees only, management makeup (for example, a merger or a corporate restructuring), and must provide all reasonable documentation necessary for Grantor to review the proposed transaction including financial records and corporate and shareholder minutes of any corporation which may be involved. Grantor reserves the right to terminate the Agreement based on whether the newly organized entity is able to carry out the requirements of the Award. This ARTICLE does not require Grantee to report on minor changes in the makeup of its board membership or

governance structure, as applicable. Nevertheless, **PART TWO** or **PART THREE** may impose further restrictions. Failure to comply with this ARTICLE constitutes a material breach of this Agreement.

ARTICLE XVII CONFLICT OF INTEREST

17.1. Required Disclosures. Grantee must immediately disclose in writing any potential or actual Conflict of Interest to Grantor. 2 CFR 200.112; 30 ILCS 708/35.

17.2. Prohibited Payments. Payments made by Grantor under this Agreement must not be used by Grantee to compensate, directly or indirectly, any person currently holding an elective office in this State including, but not limited to, a seat in the General Assembly. In addition, where Grantee is not an instrumentality of the State of Illinois, as described in this Paragraph, Grantee must request permission from Grantor to compensate, directly or indirectly, any officer or any person employed by an office or agency of the State of Illinois. An instrumentality of the State of Illinois includes, without limitation, State departments, agencies, boards, and State universities. An instrumentality of the State of Illinois does not include, without limitation, units of Local Government and related entities.

17.3. Request for Exemption. Grantee may request written approval from Grantor for an exemption from Paragraph 17.2. Grantee acknowledges that Grantor is under no obligation to provide such exemption and that Grantor may grant any such exemption subject to additional terms and conditions as Grantor may require.

ARTICLE XVIII EQUIPMENT OR PROPERTY

18.1. Purchase of Equipment. For any equipment purchased in whole or in part with Grant Funds, if Grantor determines that Grantee has not met the conditions of 2 CFR 200.439, the costs for such equipment will be disallowed. Grantor must notify Grantee in writing that the purchase of equipment is disallowed.

18.2. Prohibition against Disposition/Encumbrance. Any equipment, material, or real property that Grantee purchases or improves with Grant Funds must not be sold, transferred, encumbered (other than original financing) or otherwise disposed of during the Award Term without Prior Approval of Grantor unless a longer period is required in **PART TWO** or **PART THREE** and permitted by 2 CFR Part 200 Subpart D. Use or disposition of real property acquired or improved using Grant Funds must comply with the requirements of 2 CFR 200.311. Real property, equipment, and intangible property that are acquired or improved in whole or in part using Grant Funds are subject to the provisions of 2 CFR 200.316. Grantor may require the Grantee to record liens or other appropriate notices of record to indicate that personal or real property has been acquired or improved with this Award and that use and disposition conditions apply to the property.

18.3. Equipment and Procurement. Grantee must comply with the uniform standards set forth in 2 CFR 200.310–200.316 governing the management and disposition of property, the cost of which was supported by Grant Funds. Any waiver from such compliance must be granted by either the President’s Office of Management and Budget, the Governor’s Office of Management and Budget, or both, depending on the source of the Grant Funds used. Additionally, Grantee must comply with the standards set forth in 2 CFR 200.317–200.327 to establish procedures to use Grant Funds for the procurement of supplies and other expendable property, equipment, real property and other services.

18.4. Equipment Instructions. Grantee must obtain disposition instructions from Grantor when equipment, purchased in whole or in part with Grant Funds, is no longer needed for their original purpose. Notwithstanding anything to the contrary contained in this Agreement, Grantor may require transfer of any equipment to Grantor or a third party for any reason, including, without limitation, if Grantor terminates the

Award or Grantee no longer conducts Award activities. Grantee must properly maintain, track, use, store and insure the equipment according to applicable best practices, manufacturer's guidelines, federal and state laws or rules, and Grantor requirements stated herein.

18.5. Domestic Preferences for Procurements. In accordance with 2 CFR 200.322, to the greatest extent practicable and consistent with law, Grantee must, under this Award, provide a preference for the purchase, acquisition, or use of goods, products, or materials produced in the United States (including but not limited to iron, aluminum, steel, cement, and other manufactured products). The requirements of this Paragraph must be included in all subawards and in all contracts and purchase orders under this Award.

ARTICLE XIX PROMOTIONAL MATERIALS; PRIOR NOTIFICATION

19.1. Promotional and Written Materials. Use of Grant Funds for promotions is subject to the prohibitions for advertising or public relations costs in 2 CFR 200.421(e). To use Grant Funds in whole or in part to produce any written publications, announcements, reports, flyers, brochures or other written materials, these uses must be allowable under 2 CFR 200.421 and 200.467 and Grantee must include in these publications, announcements, reports, flyers, brochures and all other such material, the phrase "Funding provided in whole or in part by the [Grantor]." 2 CFR 200.467. Exceptions to this requirement must be requested, in writing, from Grantor and will be considered authorized only upon written notice thereof to Grantee.

19.2. Prior Notification/Release of Information. Grantee must notify Grantor ten (10) days prior to issuing public announcements or press releases concerning work performed pursuant to this Agreement, or funded in whole or in part by this Agreement, and must cooperate with Grantor in joint or coordinated releases of information.

ARTICLE XX INSURANCE

20.1. Maintenance of Insurance. Grantee must maintain in full force and effect during the Term of this Agreement casualty and bodily injury insurance, as well as insurance sufficient to cover the replacement cost of any and all real or personal property (including equipment), or both, purchased or, otherwise acquired, or improved in whole or in part, with funds disbursed pursuant to this Agreement. 2 CFR 200.310. Additional insurance requirements may be detailed in **PART TWO** or **PART THREE**.

20.2. Claims. If a claim is submitted for real or personal property, or both, purchased in whole with funds from this Agreement and such claim results in the recovery of money, such money recovered must be surrendered to Grantor.

ARTICLE XXI LAWSUITS AND INDEMNIFICATION

21.1. Independent Contractor. Neither Grantee nor any employee or agent of Grantee acquires any employment rights with Grantor by virtue of this Agreement. Grantee must provide the agreed services and achieve the specified results free from the direction or control of Grantor as to the means and methods of performance. Grantee must provide its own equipment and supplies necessary to conduct its business; provided, however, that in the event, for its convenience or otherwise, Grantor makes any such equipment or supplies available to Grantee, Grantee's use of such equipment or supplies provided by Grantor pursuant to this Agreement is strictly limited to official Grantor or State of Illinois business and not for any other purpose, including any personal benefit or gain.

21.2. Indemnification and Liability.

(a) Non-governmental entities. This subparagraph applies only if Grantee is a non-governmental entity. Grantee must hold harmless Grantor against any and all liability, loss, damage, cost or expenses, including attorneys' fees, arising from the intentional torts, negligence or breach of contract of Grantee, with the exception of acts performed in conformance with an explicit, written directive of Grantor. Indemnification by Grantor is governed by the State Employee Indemnification Act (5 ILCS 350/.01 et seq.) as interpreted by the Illinois Attorney General. Grantor makes no representation that Grantee, an independent contractor, will qualify or be eligible for indemnification under said Act.

(b) Governmental entities. This subparagraph applies only if Grantee is a governmental unit as designated in Paragraph 3.2. PART TWO – GRANTOR-SPECIFIC TERMS

In addition to the uniform requirements in **PART ONE**, Grantor has the following additional requirements for its Grantee:

**ARTICLE XXIII
AUTHORIZED SIGNATORY**

23.1. Authorized Signatory. In processing this Award and related documentation, Grantor will only accept materials signed by the Authorized Signatory or Designee of this Agreement, as designated or prescribed in the Grantee's signature block or on **Exhibit C**. If the Authorized Signatory chooses to assign a designee to sign or submit materials required by this Agreement to Grantor, the Authorized Signatory must either send written notice to Grantor indicating the name of the designee, or provide notice as set forth in **Exhibit C**. Without this notice, Grantor will reject any materials signed or submitted on the Grantee's behalf by anyone other than the Authorized Signatory. The Authorized Signatory must approve each Authorized Designee separately by signing as indicated on **Exhibit C** or on the appropriate form provided by Grantor. If an Authorized Designee(s) appears on **Exhibit C**, the Grantee should verify the information and indicate any changes as necessary. Signatures of both the Authorized Signatory and the Authorized Designee are required in order for the Authorized Designee to have signature authority under this Agreement.

**ARTICLE XXIV
ADDITIONAL AUDIT PROVISIONS**

24.1. Discretionary Audit. The Grantor may, at any time and in its sole discretion, require a program-specific audit, or other audit, SAS 115/AU-C265 letters (Auditor's Communication of Internal Control Related Matters) and SAS 114/AU-C260 letters (Auditor's Communication With Those Charged With Governance).

**ARTICLE XXV
ADDITIONAL MONITORING PROVISIONS**

25.1. Cooperation with Audits and Inquiries, Confidentiality. Pursuant to ARTICLE IX, above, the Grantee is obligated to cooperate with the Grantor and other legal authorities in any audit or inquiry related to the Award. The Grantor or any other governmental authority conducting an audit or inquiry may require the Grantee to keep confidential any audit or inquiry and to limit internal disclosure of the audit or inquiry to those Grantee personnel who are necessary to support the Grantee's response to the audit or inquiry. This confidentiality requirement does not limit Grantee's right to discuss an audit or inquiry with its legal counsel. If a third party seeks to require the Grantee, pursuant to any law, regulation, or legal process, to disclose an audit or inquiry that has been deemed confidential by the Grantor or other governmental authority, the Grantee must promptly notify the entity that is conducting the audit or inquiry of such effort so that the entity that is conducting the audit or inquiry may seek a protective order, take other appropriate action, or waive compliance by the Grantee with the confidentiality requirement.

**ARTICLE XXVI
ADDITIONAL INTEREST PROVISIONS**

26.1. Interest Earned on Grant Funds. Interest earned on Grant Funds in an amount up to \$500 per year may be retained by the Grantee for administrative expenses unless otherwise provided in **PART THREE**. Any additional interest earned on Grant Funds above \$500 per year must be returned to the Grantor pursuant to Paragraphs 4.3 and 29.2 herein, or as otherwise instructed by the Grant Manager or as set forth in **PART THREE**. All interest earned must be expended prior to Grant Funds. Any unspent Grant Funds or earned interest unspent must be returned as Grant Funds to the Grantor as described in Paragraphs 4.3 and 29.2 herein. All interest earned on Grant Funds must be accounted for and reported to the Grantor as provided in ARTICLE X herein. If applicable, the Grantor will remit interest earned and returned by Grantee to the U.S. Department of Health and Human Services

Payment Management System through the process set forth at 2 CFR 200.305(b)(12), or as otherwise directed by the federal awarding agency. The provisions of this Paragraph are inapplicable to the extent any statute, rule or program requirement provides for different treatment of interest income. Any provision that deviates from this paragraph is set forth in **PART THREE**.

**ARTICLE XXVII
ADDITIONAL BUDGET PROVISIONS**

27.1. **Restrictions on Line Item Transfers.** Unless set forth otherwise in **PART THREE** herein, Budget line item transfers within the guidelines set forth in paragraph 6.2 herein, which would not ordinarily require approval from Grantor, but result in an increase of ten percent (10%) or more to any expenditure category of the current approved Budget, are considered changes in the project scope and require Prior Approval from Grantor pursuant to 44 Ill. Admin. Code 7000.370(b).

**ARTICLE XXVIII
ADDITIONAL REPRESENTATIONS AND WARRANTIES**

28.1. **Grantee Representations and Warranties.** In connection with the execution and delivery of this Agreement, the Grantee makes the following representations and warranties to Grantor:

(a) That it has no public or private interest, direct or indirect, and will not acquire, directly or indirectly any such interest which does or may conflict in any manner with the performance of the Grantee's services and obligations under this Agreement;

(b) That no member of any governing body or any officer, agent or employee of the State, has a personal financial or economic interest directly in this Agreement, or any compensation to be paid hereunder except as may be permitted by applicable statute, regulation or ordinance;

(c) That there is no action, suit or proceeding at law or in equity pending, nor to the best of Grantee's knowledge, threatened, against or affecting the Grantee, before any court or before any governmental or administrative agency, which will have a material adverse effect on the performance required by this Agreement;

(d) That to the best of the Grantee's knowledge and belief, the Grantee, its principals and key project personnel:

(i) Are not presently declared ineligible or voluntarily excluded from contracting with any federal or State department or agency;

(ii) Have not, within a three (3)-year period preceding this Agreement, been convicted of any felony; been convicted of a criminal offense in connection with obtaining, attempting to obtain, or performing a public (federal, state, or local) transaction or contract under a public transaction; had a civil judgment rendered against them for commission of fraud; been found in violation of federal or state antitrust statutes; or been convicted of embezzlement, theft, larceny, forgery, bribery, falsification or destruction of records, making a false statement, or receiving stolen property;

(iii) Are not presently indicted for, or otherwise criminally or civilly charged, by a government entity (federal, state or local) with commission of any of the offenses enumerated in subparagraph (ii) of this certification; and

(iv) Have not had, within a three (3)-year period preceding this Agreement, any judgment rendered in an administrative, civil or criminal matter against the Grantee, or any entity

associated with its principals or key personnel, related to a grant issued by any federal or state agency or a local government.

Any request for an exception to the provisions of this subparagraph (d) must be made in writing, listing the name of the individual, home address, type of conviction and date of conviction; and

(e) Grantee certifies that it is not currently operating under, or subject to, any cease and desist order, or subject to any informal or formal regulatory action, and, to the best of Grantee's knowledge, that it is not currently the subject of any investigation by any state or federal regulatory, law enforcement or legal authority. Should it become the subject of an investigation by any state or federal regulatory, law enforcement or legal authority, Grantee shall promptly notify Grantor of any such investigation. Grantee acknowledges that should it later be subject to a cease and desist order, Memorandum of Understanding, or found in violation pursuant to any regulatory action or any court action or proceeding before any administrative agency, that Grantor is authorized to declare Grantee out of compliance with this Agreement and suspend or terminate the Agreement pursuant to ARTICLE XIII herein and any applicable rules.

ARTICLE XXIX

ADDITIONAL TERMINATION, SUSPENSION, BILLING SCHEDULE AND NON-COMPLIANCE PROVISIONS

29.1. Remedies for Non-Compliance. If Grantor suspends or terminates this Agreement pursuant to ARTICLE XIII herein, Grantor may also elect any additional remedy allowed by law, including, but not limited to, one or more of the following remedies:

(a) Direct the Grantee to refund some or all of the Grant Funds disbursed to it under this Agreement; and

(b) Direct the Grantee to remit an amount equivalent to the "Net Salvage Value" of all equipment or materials purchased with Grant Funds provided under this Agreement. For purposes of this Agreement, "Net Salvage Value" is defined as the amount realized, or that the Parties agree is likely to be realized from, the sale of equipment or materials purchased with Grant Funds provided under this Agreement at its current fair market value, less selling expenses.

29.2. Grant Refunds. In accordance with the Illinois Grant Funds Recovery Act, 30 ILCS 705/1 *et seq.*, the Grantee must, within forty-five (45) days of the effective date of a termination of this Agreement, refund to Grantor, any balance of Grant Funds not spent or not obligated as of that date.

29.3. Grant Funds Recovery Procedures. In the event that Grantor seeks to recover from Grantee Grant Funds received pursuant to this Award that: (i) Grantee cannot demonstrate were properly spent, or (ii) have not been expended or legally obligated by the time of expiration or termination of this Award, the Parties agree to follow the procedures set forth in the Illinois Grant Funds Recovery Act, 30 ILCS 705/1 *et seq.* (GFRA), for the recovery of Grant Funds, including the informal and formal hearing requirements. All remedies available in Section 6 of the GFRA will apply to these proceedings. The Parties agree that Grantor's Administrative Hearing Rules (56 Ill. Admin. Code Part 2605) and/or any other applicable hearing rules shall govern these proceedings.

29.4. Grantee Responsibility. Grantee will be held responsible for the expenditure of all Grant Funds received through this Award, whether expended by Grantee or a subrecipient or contractor of Grantee. Grantor may seek any remedies against Grantee permitted pursuant to this Agreement and 2 CFR 200.339 for the action of a subrecipient or contractor of Grantee that is not in compliance with the applicable statutes, regulations or the terms and conditions of this Award.

29.5. Billing Schedule. In accordance with paragraph 4.8, herein Grantee must submit all payment requests to Grantor within thirty (30) days of the end of the quarter, unless another billing schedule is specified in **PART THREE** or Paragraph 2.3. Failure to submit such payment request timely will render the amounts billed an

unallowable cost which Grantor cannot reimburse. In the event that Grantee is unable, for good cause, to submit its payment request timely, Grantee must timely notify Grantor and may request an extension of time to submit the payment request. Grantor's approval of Grantee's request for an extension cannot be unreasonably withheld. The payment requirements of this Paragraph supersede those set forth in Paragraph 4.8.

ARTICLE XXX ADDITIONAL MODIFICATION PROVISIONS

30.1. Modifications by Operation of Law. This Agreement is subject to such modifications as the Grantor determines, in its sole discretion, may be required by changes in federal or State law or regulations applicable to this Agreement. Grantor will initiate such modifications, and Grantee will be required to agree to the modification in writing as a condition of continuing the Award. Any such required modification will be incorporated into and become part of this Agreement as if fully set forth herein. The Grantor will timely notify the Grantee of any pending implementation of or proposed amendment to any laws or regulations of which it has notice.

30.2. Discretionary Modifications. If either the Grantor or the Grantee wishes to modify the terms of this Agreement other than as set forth in ARTICLES V and VI and Paragraphs 30.1 and 30.3, written notice of the proposed modification must be given to the other Party. Modifications will only take effect when agreed to in writing by both the Grantor and the Grantee. However, if the Grantor notifies the Grantee in writing of a proposed modification, and the Grantee fails to respond to that notification, in writing, within thirty (30) days, the Grantor may commence a process to suspend or terminate this Award. In making an objection to the proposed modification, the Grantee must specify the reasons for the objection and the Grantor will consider those objections when evaluating whether to follow through with the proposed modification. The Grantor's notice to the Grantee must contain the Grantee name, Agreement number, Amendment number and purpose of the revision. If the Grantee seeks any modification to the Agreement, the Grantee must submit a detailed narrative explaining why the Project cannot be completed in accordance with the terms of the Agreement and how the requested modification will ensure completion of the Grant Activities, Deliverables, Milestones and/or Performance Measures (Exhibits A, B and D).

30.3. Unilateral Modifications. The Parties agree that Grantor may, in its sole discretion, unilaterally modify this Agreement without prior approval of the Grantee when the modification is initiated by Grantor for the sole purpose of increasing the Grantee's funding allocation as additional funds become available for the Award during the program year covered by the Term of this Agreement.

30.4. Management Waiver. The Parties agree that the Grantor may issue a waiver of specific requirements of this Agreement after the term of the Agreement has expired. These waivers are limited to non-material changes to specific provisions that the Grantor determines are necessary to place the Grantee in administrative compliance with the requirements of this Agreement. A management waiver issued after the Term of the Agreement has expired will supersede the original requirements of this Agreement that would normally require a modification of this Agreement to be executed. The Grantor will make no modifications of this Agreement not agreed to prior to the expiration of the Agreement beyond what is specifically set forth in this Paragraph.

30.5. Term Extensions. The Grantee acknowledges that all Grant Funds must be expended or legally obligated, and all Grant Activities, Deliverables, Milestones and Performance Measures (Exhibits A, B and D) must be completed during the Term of the Agreement. Extensions of the Term will be granted only for good cause, subject to the Grantor's discretion. Pursuant to the Grant Funds Recovery Act (30 ILCS 705/1 *et seq.*), no Award may be extended in total beyond a two (2)-year period unless the Grant Funds are expended or legally obligated during that initial two-year period, or unless Grant Funds are disbursed for reimbursement of costs previously incurred by the Grantee. If Grantee requires an extension of the Award Term, Grantee should submit a written request to the Grant Manager at least sixty (60) days prior to the end of the Award Term or extended Award Term, as applicable, stating the reason for the extension. If Grantee provides reasonable extenuating circumstances, Grantee may request an extension of the Award Term with less than sixty (60) days remaining.

**ARTICLE XXXI
ADDITIONAL CONFLICT OF INTEREST PROVISIONS**

31.1. Bonus or Commission Prohibited. The Grantee shall not pay any bonus or commission for the purpose of obtaining the Grant Funds awarded under this Agreement.

**ARTICLE XXXII
ADDITIONAL EQUIPMENT OR PROPERTY PROVISIONS**

32.1. Equipment Management. The Grantee is responsible for replacing or repairing equipment and materials purchased with Grant Funds that are lost, stolen, damaged, or destroyed. Any loss, damage or theft of equipment and materials must be investigated and fully documented, and immediately reported to the Grantor and, where appropriate, the appropriate law enforcement authorities.

32.2. Purchase of Real Property. If permitted by the Award Budget and scope of activities provided in this Agreement, a Grantee may use the Grant Funds during the Award Term for the costs associated with the purchase of real property (as defined by 2 CFR 200.1) either through the use of reimbursement or advanced funds as permitted in Paragraph 2.3 of this Agreement for the following purposes and consistent with the Grantor's bondability guidelines and 2 CFR 200:

- (a) Cash payment of the entirety or a portion of the real property acquisition;
- (b) Cash Payment of a down payment for the acquisition;
- (c) Standard and commercially reasonable costs required to be paid at the acquisition closing (*i.e.*, closing costs); or
- (d) Payments to reduce the debt incurred by Grantee to purchase the real property.

32.3. Bonding Requirements. If Grant Funds through this Award are used for construction or facility improvement projects that exceed the Simplified Acquisition Threshold, the Grantee must comply with the minimum bonding requirements listed in 2 CFR 200.326(a) – (c). Grantor will not accept the Grantee's own bonding policy and requirements.

32.4. Lien Requirements. Grantor may direct Grantee in writing to record a lien or notice of State or federal interest on the property purchased or improved with Grant Funds. 2 CFR 200.316. If Grantor makes this direction and the Grantee does not comply, the Grantor may: (a) record the lien or notice of State or federal interest and reduce the amount of the Grant Funds by the cost of recording the lien or notice of State or federal interest, or (b) suspend this Award until Grantee complies with Grantor's direction.

**ARTICLE XXXIII
APPLICABLE STATUTES**

To the extent applicable, Grantor and Grantee shall comply with the following:

33.1. Land Trust Beneficial Interest Disclosure Act (765 ILCS 405/2.1). No Grant Funds will be paid to any trustee of a land trust, or any beneficiary or beneficiaries of a land trust, for any purpose relating to the land, which is the subject of such trust, any interest in such land, improvements to such land or use of such land unless an affidavit is first filed with the Grantor identifying each beneficiary of the land trust by name and address and defining such interest therein. This affidavit must be filed with the Illinois Office of the Comptroller as an attachment to this Agreement.

33.2. Historic Preservation Act (20 ILCS 3420/1 et seq.). The Grantee is not required to provide paid leave under the Victims' Economic Security and Safety Act, but may not suspend group health plan benefits during the leave period. Any failure on behalf of the Grantee to comply with all applicable provisions of the Victims' Economic Security and Safety Act, or applicable rules and regulations promulgated thereunder, may result in a determination that the Grantee is ineligible for future contracts or subcontracts with the State of Illinois or any of its political subdivisions or municipal corporations, and this Agreement may be cancelled or voided in whole or in part, and such other sanctions or penalties may be imposed or remedies invoked, as provided by statute or regulation.

33.4. Equal Pay Act of 2003 (820 ILCS 112 et seq.). If the Grantee has one (1) or more employees, it is prohibited by the Equal Pay Act of 2003 from: (a) discriminating between employees by paying unequal wages on the basis of sex for doing the same or substantially similar work; (b) discriminating between employees by paying wages to an African-American employee at a rate less than the rate at which the Grantee pays wages to another employee who is not African-American for the same or substantially similar work; (c) remedying violations of the Equal Pay Act of 2003 by reducing the wages of other employees or discriminating against any employee exercising their rights under the Equal Pay Act of 2003; and (d) screening job applicants based on their current or prior wages or salary histories, or requesting or requiring a wage or salary history from an individual as a condition of employment or consideration for employment. Any failure on behalf of the Grantee to comply with all applicable provisions of the Equal Pay Act of 2003, or applicable rules and regulations promulgated thereunder, may result in a determination that the Grantee is ineligible for future contracts or subcontracts with the State of Illinois or any of its political subdivisions or municipal corporations, and this Agreement may be cancelled or voided in whole or in part, and such other sanctions or penalties may be imposed or remedies invoked, as provided by statute or regulation.

33.5. Steel Products Procurement Act (30 ILCS 565/1 et seq.). The Grantee, if applicable, hereby certifies that any steel products used or supplied in accordance with this Award for a public works project shall be manufactured or produced in the United States per the requirements of the Steel Products Procurement Act (30 ILCS 565/1 et seq.).

33.6. Business Enterprise for Minorities, Women, and Persons with Disabilities Act and Illinois Human Rights Act (30 ILCS 575/0.01; 775 ILCS 5/2-105). The Grantee acknowledges and hereby certifies compliance with the provisions of the Business Enterprise for Minorities, Women, and Persons with Disabilities Act, and the equal employment practices of Section 2-105 of the Illinois Human Rights Act for the provision of services which are directly related to the Award activities to be performed under this Agreement.

33.7. Identity Protection Act (5 ILCS 179/1 et seq.) and Personal Information Protection Act (815 ILCS 530/1 et seq.). The Grantor is committed to protecting the privacy of its vendors, grantees and beneficiaries of programs and services. At times, the Grantor will request social security numbers or other personal identifying information. Federal and state laws, rules and regulations require the collection of this information for certain purposes relating to employment and/or payments for goods and services, including, but not limited to, Awards. The Grantor also collects confidential information for oversight and monitoring purposes.

Furnishing personal identity information, such as a social security number, is voluntary; however, failure to provide required personal identity information may prevent an individual or organization from using the services/benefits provided by the Grantor as a result of state or federal laws, rules and regulations.

To the extent the Grantee collects or maintains protected personal information as part of carrying out the Award activities, the Grantee must maintain the confidentiality of the protected personal information in accordance with applicable law and as set forth below.

(a) **Personal Information Defined.** As used herein, "Personal Information" shall have the definition set forth in the Personal Information Protection Act, 815 ILCS 530/5 ("PIPA").

(b) **Protection of Personal Information.** The Grantee must use at least reasonable care to protect the confidentiality of Personal Information that is collected or maintained as part of the Award activities and (i) not use any Personal Information for any purpose outside the scope of the Award activities and (ii) except as otherwise authorized by the Grantor in writing, limit access to Personal Information to those of its employees, contractors, and agents who need such access for purposes consistent with the Award Activities. If Grantee provides any contractor or agent with access to Personal Information, it must require the contractor or agent to comply with the provisions of this Paragraph.

(c) **Security Assurances.** Grantee represents and warrants that it has established and will maintain safeguards against the loss and unauthorized access, acquisition, destruction, use, modification, or disclosure of Personal Information and shall otherwise maintain the integrity of Personal Information in its possession in accordance with any federal or state law privacy requirements, including PIPA. These safeguards must be reasonably designed to (i) ensure the security and confidentiality of the Personal Information, (ii) protect against any anticipated threats or hazards to the security or integrity of Personal Information, and (iii) protect against unauthorized access to or use of Personal Information. Additionally, Grantee will have in place policies, which provide for the secure disposal of documents and information which contain Personal Information, including but not limited to shredding documents and establishing internal controls over the authorized access to such information. 815 ILCS 530/40.

(d) **Breach Response.** In the event of any unauthorized access to, unauthorized disclosure of, loss of, damage to or inability to account for any Personal Information (a "Breach"), Grantee agrees that it will promptly, at its own expense: (i) report such Breach to the Grantor by telephone with immediate written confirmation sent by e-mail, describing in detail any accessed materials and identifying any individual(s) who may have been involved in such Breach; (ii) take all actions necessary or reasonably requested by the Grantor to stop, limit or minimize the Breach; (iii) restore and/or retrieve, as applicable, and return all Personal Information that was lost, damaged, accessed, copied or removed; (iv) cooperate in all reasonable respects to minimize the damage resulting from such Breach; (v) provide any notice to Illinois residents as required by 815 ILCS 530/10, 815 ILCS 530/12 or applicable federal law, in consultation with the Grantor; and (vi) cooperate in the preparation of any report related to the Breach that the Grantor may need to present to any governmental body.

(e) **Injunctive Relief.** Grantee acknowledges that, in the event of a breach of this Paragraph, Grantor will likely suffer irreparable damage that cannot be fully remedied by monetary damages. Accordingly, in addition to any remedy which the Grantor may possess pursuant to applicable law, the Grantor retains the right to seek and obtain injunctive relief against any such breach in any Illinois court of competent jurisdiction.

(f) **Compelled Access or Disclosure.** The Grantee may disclose Personal Information if it is compelled by law, regulation, or legal process to do so, provided the Grantee gives the Grantor at least ten (10) days' prior notice of such compelled access or disclosure (to the extent legally permitted) and reasonable assistance if the Grantor wishes to contest the access or disclosure.

**ARTICLE XXXVII
GRANT-SPECIFIC TERMS/CONDITIONS**

37.1. Funding. If this Award is bond-funded, all expenditures shall be in accordance with all applicable bondability guidelines.

37.2. Use of Real Property. Grantee shall use any real property acquired, constructed or improved with Grant Funds pursuant to this Agreement to provide the programs and services specified herein for at least the Award Term stated in Paragraph 2.1. Grantee shall comply with the real property use and disposition requirements set forth in 2 CFR 200.311.

37.3. Projects Requiring External Sign-offs.

- (1) Pursuant to applicable statute(s), this Award requires sign-off by the following State agency(ies). **The status of the sign-off is indicated as of the date the Award is sent to the Grantee for execution:**

Agreement No. 25-203186

AGENCY	SIGN-OFF RECEIVED	SIGN-OFF OUTSTANDING
_____ Illinois State Historic Preservation Office	_____	_____
_____ Illinois Dept. of Agriculture	_____	_____
_____ Illinois Dept. of Natural Resources	_____	_____
_____ Illinois Environmental Protection Agency	_____	_____
X _____ NONE APPLICABLE	_____	_____

While **any** external sign-off is outstanding, the provisions of Item (3), immediately below apply with respect to the disbursement of funds under this Award.

NOTE: The fact that a sign-off has been received in no way relieves the Grantee of its obligation to comply with any conditions or requirements conveyed by the applicable agency(ies) in conjunction with the issuance of the sign-off for the project funded under this Agreement.

- (2) For projects subject to review by the Illinois Environmental Protection Agency (IEPA), the Grantee must, prior to construction, obtain a construction permit or “authorization to construct” from the IEPA pursuant to the provisions of the Environmental Protection Act, 415 ILCS 5/1 *et seq.*

(3) External Sign-Off Provisions:

- a.) The Project described in Exhibit A and funded under this Agreement is subject to review by the external agency(ies) indicated in Item (1) immediately above. Grantee must comply with requirements established by said agency(ies) relative to their respective reviews. **Any requirements communicated to the Grantor shall be incorporated into this Agreement as follows: as an attachment to this Agreement (immediately following PART THREE) at the time of the Agreement execution.** The Grantee is contractually obligated to comply with such requirements.
- b.) Grantee is responsible for coordinating directly with the applicable external agency(ies) relative to said reviews. Except as specifically provided below, the Grantor’s obligation to disburse funds under this Agreement is contingent upon notification by the applicable agency(ies) that all requirements applicable to the project described in this Agreement have been satisfied. Upon receipt of said notification, disbursement of the Grant Funds shall be authorized in accordance with the provisions of Paragraph 2.3 herein.
- c.) Prior to notification of compliance by the applicable external agency(ies), the Grantee may request disbursement of funds **only** for the following purposes: administrative, contractual, legal, engineering, or architectural costs incurred which are necessary to allow for compliance by the Grantee of requirements established by the external agency(ies). **FUNDS WILL NOT BE DISBURSED FOR LAND ACQUISITION OR ANY TYPE OF CONSTRUCTION OR OTHER ACTIVITY**

WHICH PHYSICALLY IMPACTS THE PROJECT SITE PRIOR TO RECEIPT BY THE GRANTOR OF THE REQUIRED NOTIFICATION FROM ALL APPLICABLE AGENCIES.

- d.) If external sign-offs are indicated in this paragraph 37.3, disbursement of Grant Funds (whether advance or scheduled) are subject to the restrictions set forth by the External Sign-Off Provisions of this paragraph 37.3. Upon receipt of all required sign-offs, the Grantor's Accounting Division will be notified of authorization to disburse Grant Funds in accordance with the disbursement method indicated herein.

37.4. Prevailing Wage Act Compliance. The work to be performed under this Agreement is subject to the Prevailing Wage Act (820 ILCS 130/0.01 *et seq.*). Grantee shall comply with all requirements of the Prevailing Wage Act, including but not limited to: (a) inserting into all contracts for construction a stipulation to the effect that not less than the prevailing rate of wages as applicable to the project shall be paid to all laborers, workers, and mechanics performing work under the Award and requiring all bonds of contractors to include a provision as will guarantee the faithful performance of such prevailing wage clause as provided by contract and (b) all required reporting and documentation.

37.5. Compliance with Illinois Works Jobs Program Act. Grantee must comply with requirements in the Illinois Works Jobs Program Act (30 ILCS 559/Art. 20). For Awards with an estimated total project cost of \$500,000 or more, the Grantee will be required to comply with the Illinois Works Apprenticeship Initiative (30 ILCS 559/20-20 to 20-25) and all applicable administrative rules (*see* 14 Ill. Admin. Code Part 680). The "estimated total project cost" is a good faith approximation of the costs of an entire project being paid for in whole or in part by appropriated capital funds to construct a public work. Grantee must submit a Budget Supplement Form (available on the Grantor's website) to the Grantor within ninety (90) days of the execution of this Award. The goal of the Illinois Apprenticeship Initiative is that apprentices will perform either 10% of the total labor hours actually worked in each prevailing wage classification or 10% of the estimated labor hours in each prevailing wage classification, whichever is less. Of this goal, at least half of those apprenticeship hours shall be performed by graduates of the Illinois Works Pre-apprenticeship Program, the Illinois Climate Works Pre-apprenticeship Program, or the Highway Construction Careers Training Program. Grantee is permitted to seek from the Grantor a waiver or reduction of this goal in certain circumstances pursuant to 30 ILCS 559/20-20(b). The Grantee must ensure compliance for the life of the entire project, including during the term of the Award and after the Term ends, if applicable, and will be required to report on and certify its compliance.

37.6. Compliance with Business Enterprise Program. If applicable to this Grant, Grantee acknowledges that it is required to comply with the Business Enterprise Program for Minorities, Females, and Persons with Disabilities Act ("BEP") (30 ILCS 575/0.01 *et seq.*), which establishes a goal for contracting with businesses that have been certified as owned and controlled by persons who are minority, female or who have disabilities. Grantee shall maintain compliance with the BEP Utilization Plan submitted in conjunction with the Agreement and shall comply with all reporting requirements.

37.7. Compliance with the Employment of Illinois Workers on Public Works Act: In a period of excessive unemployment rates, Grantees (1) constructing or building any public works or (2) cleaning-up and disposing on-site of hazardous waste, and that clean-up or on-site disposal is funded or financed in whole or in part with State funds or funds administered by the State, are required to employ at least 90% Illinois laborers on such project. For projects involving clean-up and on-site disposal of hazardous waste, emergency response or immediate removal activities are excluded. This requirement applies to all labor whether skilled, semi-skilled or unskilled, whether manual or non-manual. A period of excessive unemployment rates is defined as any month immediately following two consecutive calendar months during which the level of unemployment in the State of Illinois has exceeded 5% as measured by the United States Bureau of Labor Statistics in its monthly publication of employment and unemployment figures. Any public works project financed in whole or in part by federal funds

administered by the State of Illinois is covered under the provisions of this requirement, to the extent permitted by any applicable federal law or regulation. (30 ILCS 570). Grantee may receive an exception from this requirement by submitting a request and supporting documents certifying that Illinois laborers are either not available or are incapable of performing the particular type of work involved. The certification must: (a) be submitted to the agency within the first quarter of the Contract Term; (b) provide sufficient support that demonstrates the exception is met; (c) be signed by an authorized signatory of the contractor; and (d) be approved by the agency.

37.8. Interest on Grant Funds for this Award. Because this Award may be subject to the Grantor's bondability guidelines, Grantee must comply with the interest requirements contained in Paragraph 4.7 and is not permitted to retain interest earned on Grant Funds, as stated in Paragraph 26.1, unless specifically notified by Grantor that Grantee may do so.

**ARTICLE XXXVIII
BOND FUNDED GENERAL GRANT PROVISIONS**

38.1. Bond Funded General Grant Provisions. It is the intent of the State that all or a portion of the costs of this Project will be paid or reimbursed from the proceeds of tax-exempt bonds subsequently issued by the State.

Failure to maintain the books, records and supporting documents required by this section shall establish a presumption in favor of the DEPARTMENT for the recovery of any funds paid by the DEPARTMENT under the contract for which adequate books, records and supporting documentation are not available to support their purported disbursement.
- That the ENGINEER shall be responsible for any all damages to property or persons out of an error, omission and/or negligent act in the prosecution of the ENGINEER's work and shall indemnify and save harmless the LPA, the DEPARTMENT, and their officers, agents and employees from all suits, claims, actions or damages liabilities, costs or damages of any nature whatsoever resulting there from. These indemnities shall not be limited by the listing of any insurance policy.

The LPA will notify the ENGINEER of any error or omission believed by the LPA to be caused by the negligence of the ENGINEER as soon as practicable after the discovery. The LPA reserves the right to take immediate action to remedy any error or omission if notification is not successful; if the ENGINEER fails to reply to a notification; or if the conditions created by the error or omission are in need of urgent correction to avoid accumulation of additional construction costs or damages to property and reasonable notice is not practicable.
- This AGREEMENT may be terminated by the LPA upon giving notice in writing to the ENGINEER at the ENGINEER's last known post office address. Upon such termination, the ENGINEER shall cause to be delivered to the LPA all drawings, plats, surveys, reports, permits, agreements, soils and foundation analysis, provisions, specifications, partial and completed estimates and data, if any from soil survey and subsurface investigation with the understanding that all such materials becomes the property of the LPA. In addition, upon the resumption of services the LPA shall compensate the ENGINEER, for expenses incurred as a result of the suspension and resumption of its services, and the ENGINEER's schedule and fees for the remainder of the project shall be equitably adjusted.
5. This AGREEMENT shall continue as an open contract and the obligations created herein shall remain in full force and effect until the completion of construction of any phase of professional services performed by others based upon the service provided herein. All obligations of the ENGINEER accepted under this AGREEMENT shall cease if construction or subsequent professional services are not commenced within 5 years after final payment by the LPA.

9. This certification is required by the Drug Free Workplace Act (30 ILCS 580). The Drug Free Workplace Act requires that no grantee or contractor shall receive a grant or be considered for the purpose of being awarded a contract for the procurement of any property or service from the DEPARTMENT unless that grantee or contractor will provide a drug free workplace. False certification or violation of the certification may result in sanctions including, but not limited to suspension of contract on grant payments, termination of a contract or grant and debarment of the contracting or grant opportunities with the DEPARTMENT for at least one (1) year but not more than (5) years.

For the purpose of this certification, "grantee" or "Contractor" means a corporation, partnership or an entity with twenty-five (25) or more employees at the time of issuing the grant or a department, division or other unit thereof, directly responsible for the specific performance under contract or grant of \$5,000 or more from the DEPARTMENT, as defined the Act.

The contractor/grantee certifies and agrees that it will provide a drug free workplace by:

- (a) Publishing a statement:
 - (1) Notifying employees that the unlawful manufacture, distribution, dispensing, possession or use of a controlled substance, including cannabis, is prohibited in the grantee's or contractor's workplace.
 - (2) Specifying actions that will be taken against employees for violations of such prohibition.
 - (3) Notifying the employee that, as a condition of employment on such contract or grant, the employee will:
 - (a) abide by the terms of the statement; and
 - (b) notify the employer of any criminal drug statute conviction for a violation occurring in the workplace no later than (5) days after such conviction.
- (b) Establishing a drug free awareness program to inform employees about:
 - (1) The dangers of drug abuse in the workplace;

- (2) The grantee's or contractor's policy to maintain a drug free workplace;
- (3) Any available drug counseling, rehabilitation and employee assistance program; and
- (4) The penalties that may be imposed upon an employee for drug violations.
- (c) Providing a copy of the statement required by subparagraph (a) to each employee engaged in the performance of the contract or grant and to post the statement in a prominent place in the workplace.
- (d) Notifying the contracting, or granting agency within ten (10) days after receiving notice under part (b) of paragraph (3) of subsection (a) above from an employee or otherwise, receiving actual notice of such conviction.
- (e) Imposing a sanction on, or requiring the satisfactory participation in a drug abuse assistance or rehabilitation program.
- (f) Assisting employees in selecting a course of action in the event drug counseling, treatment and rehabilitation is required and indicating that a trained referral team is in place.

Making a good faith effort to continue to maintain a drug free workplace through implementation of the Drug Free Workplace Act, the ENGINEER, LPA and the Department agree to meet the PROJECT SCHEDULE outlined in EXHIBIT B. Time is of the essence on this project and the ENGINEER's ability to meet the PROJECT SCHEDULE will be a factor in the LPA selecting the ENGINEER for future projects. The ENGINEER will submit progress reports with each invoice showing work that was completed during the last reporting period and work they expect to accomplish during the following period.

- 10. Due to the physical location of the project, certain work classifications may be subject to the Prevailing Wage Act (820 ILCS 130/0.01 et seq.).
- 11. For Preliminary Engineering Contracts:
 - (a) That tracing, plans, specifications, estimates, maps and other documents prepared by the ENGINEER in accordance with this AGREEMENT shall be delivered to and become the property of the LPA and that basic survey notes, sketches, charts, CADD files, related electronic files, and other data prepared or obtained in accordance with this AGREEMENT shall be made available, upon request to the LPA or to the DEPARTMENT, without restriction or limitation as to their use. Any re-use of these documents without the ENGINEER involvement shall be at the LPA's sole risk and will not impose liability upon the ENGINEER.
 - (b) That all reports, plans, estimates and special provisions furnished by the ENGINEER shall conform to the current Standard Specifications for Road and Bridge Construction, Bureau of Local Roads and Streets Manual or any other applicable requirements of the DEPARTMENT, it being understood that all such furnished documents shall be approved by the LPA and the DEPARTMENT before final acceptance. During the performance of the engineering services herein provided for, the ENGINEER shall be responsible for any loss or damage to the documents herein enumerated while they are in the ENGINEER's possession and any such loss or damage shall be restored at the ENGINEER's expense.

**EXHIBIT A
SCOPE OF SERVICES**

To perform or be responsible for the performance of the engineering services for the LPA, in connection with the PROJECT herein before described and enumerated below

TASK 1 SURVEY

ENGINEER will perform a topographic survey in sufficient detail to prepare construction documents for the PROJECT, including establishment of horizontal control points and vertical benchmarks within the project site. ENGINEER will process the data collected through the topographic survey and prepare drawings for use in the design tasks discussed below. ENGINEER will perform property research to obtain plats and/or deed documents as necessary for the definition of parcels within PROJECT corridor. ENGINEER will perform sufficient boundary survey work for the delineation of existing parcels and right-of-way along the project corridor. ENGINEER will plot the boundary lines and determine ownership of each parcel along the project corridor.

TASK 2 PROJECT DEVELOPMENT REPORT

ENGINEER will prepare a Project Development Report and supporting documentation as required by the DEPARTMENT. Anticipated supporting documentation includes an Environmental Survey Request, Preliminary Environmental Site Assessment, and attendance at one (1) public meeting.

TASK 3 PRELIMINARY PLANS

Upon completion of the work described in TASKS 1-2, the ENGINEER will develop a preliminary design within the project corridor for the various improvements as indicated in project description. Upon completion of the preliminary design, it is anticipated that the ENGINEER and LPA will review the preliminary design in one (1) progress meeting. Based upon the comments received on the preliminary design from the LPA, the ENGINEER will revise the preliminary design and resubmit to the LPA for additional review and one (1) follow up meeting. Upon the second review meeting, the ENGINEER will make changes one final time prior to preparation of the preliminary plans. Based upon the comments received on the revised preliminary design from LPA, the ENGINEER will prepare the preliminary plans, with typical sections, plan & profile sheets, schedules, details, and special provisions.

Preliminary plans will be submitted to the DEPARTMENT and the LPA for review and comment prior to moving to TASK 4 – FINAL PLANS.

TASK 4 FINAL PLANS

Final plans for the improvements associated with the project will include addressing any comments received from the DEPARTMENT and LPA on the preliminary plans as well as finalizing the cover sheet, general notes, summary of quantities, typical sections, plan & profile sheets, schedules, details, and special provisions developed under TASK 3. In addition, ENGINEER will prepare the estimate of cost and estimate of time, and other DEPARTMENT required documentation for the purpose of bidding of the project. ENGINEER will provide final plans and bidding documents to the DEPARTMENT for approval.

ENGINEER will coordinate the proposed improvements with known utility companies by sending plans via email after review and approval of the preliminary plans developed in TASK 3, as well as upon completion of the final plans prepared in TASK 4. It is anticipated that the respective utility companies will review these plans and determine if conflicts exist with their utilities. If conflicts exist, relocation of the utilities may be required.

TASK 5 ADDITIONAL WORK

ENGINEER will perform additional work, as requested by the LPA. Additional work (TASK 5), if required, will be performed and billed in accordance with the Professional Service Rates current at the time of work.

ASSUMPTIONS AND CLARIFICATIONS

It is assumed any pavement cores and/or geotechnical report will be provided by the LPA.

It is assumed there will be one (1) review of prefinal plans by IDOT followed by a final plan submittal.

It is assumed the ENGINEER will tie-in visible and marked utilities based upon a Joint Utility Locating Information for Excavators (JULIE) call. If utilities are not marked and additional efforts are required to coordinate utility markings, or survey of potholed utilities is required, this work will be included as TASK 5 Additional Work.

Survey and drafts of proposed right-of-way dedications or easement are not included in the Agreement.

Shop drawing review, bidding services, or other construction phase services by the ENGINEER are not included in the Agreement.
