THE CITY OF FAIRVIEW HEIGHTS

OPERATIONS COMMITTEE MEETING MINUTES

Tuesday, July 21, 2026, 6:35 p.m.

Continued from the Operations Committee Meeting of Wednesday, July 15, 2026

Council Chambers

Fairview Heights City Hall

Fairview Heights, Illinois

Committee Members in attendance – Alderpersons Josh Frawley (arrived 6:49 p.m.), Jimmy Winkeler, Brenda Wagner, Bill Poletti

Committee Members absent – Alderperson Pat Peck

Other Alderpersons and Elected Officials in attendance – Mayor Mark Kupsky, Alderpersons Frank Menn, Anthony LeFlore, Barb Brumfield, Derrick King

Staff in attendance – City Attorney Andrew Hoerner, Deputy City Clerk Veronica Gabriel, Economic Development Assistant Ryan Jenkins, Finance Director Gina Rader – tele/conference, IT User Support and Systems Manager Zach Bartley – tele/conference, Police Chief Steve Johnson, Public Works Director John Harty

Recorder – Jill Huffman

Public Participation

The Mayor recognized Sharon Zajac, Edding Lane, to speak. Ms. Zajac relayed that at approximately 8:45 on Sunday, she had locked herself out of her house, could not get a local locksmith to help her unlock the door, contacted the police department's dispatch and ultimately a locksmith arrived from Missouri to unlock the door. When Ms. Zajac was waiting on the Missouri locksmith to arrive, a police officer knocked on her car door, and although he could not unlock her door, he stayed the entire time while the locksmiths were working on opening her door (approximately five minutes). Ms. Zajac stated that, not only was she impressed that the police officer stayed with her, but that his sergeant allowed him to stay with her. She stated that the police were not only protecting, but serving as well. She thanked Officer Teschendorf who stayed with her, the sergeant, and the Chief of Police who sets the attitude in the department that when someone needs help, the police respond. She also stated that coming from Edding Lane, a motorist either needs to travel on Highway 50 or IL Route 159 and said that if she does not see two police cars patrolling the area in a five-minute timeframe, she knows something is wrong.

Approval of Minutes, June 10, 2026

Motion and second to approve minutes were made by Alderpersons Poletti/Wagner. Roll call vote: Alderpersons Frawley – absent, Winkeler - yes, Wagner – yes, Peck - absent, Poletti – yes. Motion carried.

Law Enforcement Committee

Aldersperson Brenda Wagner, Acting Chairman

Aldersperson Wanger stated that this is her fourth consecutive month chairing Law Enforcement because the Chairperson has not been able, for whatever reason, to attend. She questioned the Mayor if there is anything within the City's ordinances to replace a chairman, and possibly someone on a committee, so that the committee does not face what happened last week with not having a quorum with consistently having one member not participating. Aldersperson LeFlore concurred with Aldersperson Wagner. The Mayor requested that the City Attorney review the statutes. He also questioned the Chief of Police if he had heard from the Chairman of Law Enforcement to which he replied he has not. He questioned the Chief if he had heard from the Chairman the other months to which he replied he had not. Aldersperson Wagner stated that the City needs to make sure they have adequate representation.

The Mayor stated that when he was elected Mayor, with the Council's approval, he reset the committees to have five members so that every ward is represented. He relayed that the City Attorney will review and he will follow up.

STATE OF THE DEPARTMENT REPORT/CODE ENFORCEMENT/CEO REPORT/TEMPORARY FAIRVIEW HEIGHTS POLICE DEPARTMENT IL 7.7.26

The Chief presented his written report to the elected officials for their review to which there were no questions or comments.

The Chief stated that it is important in Law Enforcement to be prepared for the unpreparable. Recently, officers have been training in response to active shooters in schools, which is done annually and sometimes multiple times during the year. This month the police are at Holy Trinity Church performing rescue task force training; not only rapid response to an active shooter, but everything that happens afterwards – treating the victims who are severely injured and dying. The training of officers is not only to rapidly respond to stop the killing, but to prevent dying by getting fire, ambulances, EMS into zones that are not completely safe. The Chief stated that today and last week, the fire department, both ambulance services, dispatch and telecommunicators are participating in drills in schools with simunitions. Actors, students, and teachers are role players. The Chief stated that there is department training four times a year – training half of the department at a time and then the entire department. He believes when you train together you get better. He stated that the Union worked with the department as a training day is then given as a day off.

The Chief relayed that a community event is scheduled for Thursday night at Pontiac William-Holliday School. The next event will be in August.

KHP 2022 DODGE DURANGO RESOLUTION

The Chief stated that staff requests Committee approve sending a Resolution to Council to allow the purchase of a used vehicle utilizing the Police Department's escrow funds. He stated that escrow funds are seized money for drug dealers. The Chief stated for administration and detectives, used vehicles are purchased from the Kansas Highway Patrol, but does not know how much longer they will be purchasing from Kansas since the price and mileage is increasing. This vehicle will replace a vehicle that has a bad transmission and needs a lot of work. The vehicle is a 2022 Dodge Durango Police Vehicle costing \$34,250.00.

Motion and second to forward a Resolution to City Council with recommendation of approval the Resolution to purchase from the Kansas Highway Patrol a 2022 Dodge Durango for the price of \$34,250.00 by Alderpersons Poletti/Winkeler. Roll call vote showed Alderpersons Frawley - yes, Winkeler – yes, Wagner – yes, Peck – absent, Poletti – yes. Motion carried.

Public Works Committee

Alderson Bill Poletti, Chairman

JOINT FUNDING AGREEMENT FOR FEDERALLY FUNDED CONSTRUCTION – LONGACRE DRIVE

The Director of Public Works stated that the City has received Federal and State funds just shy of \$1.6 million. After this agreement is signed, some funding will remain and used for construction engineering.

Motion and second to forward a Resolution to City Council with the recommendation of approval the Joint Funding Agreement for Federally Funded Construction associated with the Longacre Drive project from Illinois Route 159 to Union Hill Road by Alderpersons Wagner/Winkeler. Roll call vote showed Alderpersons Frawley - yes, Winkeler – yes, Wagner – yes, Peck – absent, Poletti – yes. Motion carried.

LOCAL PUBLIC AGENCY ENGINEERING SERVICES AGREEMENT – LONGACRE DRIVE

The Director stated that the City Engineering and he are very busy this year. The City Engineer is currently on the Old Collinsville Road project and will be the Resident Engineer for the Old Collinsville Road turn lane onto Ashland Avenue. The Director relayed that he will be on the Pearson Drive Improvements project along with the Oak, Elm, Cedar & Kadlec projects. The Director will spearhead Home Rule funded projects and the City Engineer will spearhead Federally funded projects.

Since there will be funds remaining from the Longacre Drive project (stated previously), the Director thought it wise to employ a consultant to perform the documentation, testing, and daily inspection for Longacre Drive and believes Gonzalez will do a fine job.

The Mayor stated that this is the busiest time of year. Tom is doing an excellent job as the City Engineer and requested the Director pass the compliment onto Tom and also complimented John as they arrive to the jobsites early in the morning. Alderson Wagner relayed that the Director is very responsive when she contacts him.

Motion and second to forward a Resolution to City Council with the recommendation of approval the contract with Gonzalez Companies, LCC for the Construction Engineering work associated with the Longacre Drive project from Illinois Route 159 to Union Hill Road for the sum of \$135,801.00 by Alderpersons Wagner/Winkeler. Roll call vote showed Alderpersons Frawley - yes, Winkeler – yes, Wagner – yes, Peck – absent, Poletti – yes. Motion carried.

PROFESSIONAL SERVICE AGREEMENT – WOOLPERT – COUNCIL CHAMBERS RENOVATION

The Director stated that 10 days ago, the City received the 95 percent complete plans for the renovation of the Council Chambers. The plans have been reviewed with zero comments from

the City. The project will be bid in August, legislated in September, and start construction early in October. The Director presented a Professional Service Agreement for an on-call, as-needed, type of agreement for architectural services. If there are requests for information from a contractor, Woolpert will be able to answer the questions, and will charge an hourly rate as listed in the agreement. Alderperson Wagner questioned if this is included in the grant that was received by the City to which the Mayor replied that the City did receive a grant that will cover a good portion of the construction and the City also budgeted funds for the project. He stated until the project is bid, the final cost is not known, but between the grant and what is budgeted, there should be enough money to more than cover the project.

Motion and second to forward a Resolution to City Council with the recommendation of approval the Professional Service Agreement with Woolpert on an as-needed basis for an hourly rate for the construction administration work associated with the renovation of the City Council Chambers by Alderpersons Wagner/Winkeler. Roll call vote showed Alderpersons Frawley - yes, Winkeler – yes, Wagner – yes, Peck – absent, Poletti – yes. Motion carried.

DIRECTOR'S REPORT/PROJECT UPDATES

The Director presented his written report to the elected officials for their review to which there were no questions or comments.

The Director stated that he attended a preconstruction meeting today at IDOT for the resurfacing of Illinois Route 159 from Lincoln Trail to just north of Fountains Parkway. The project will begin after the bridge work on Illinois Route 159 over Interstate 64 is finished, which is anticipated to be in early September, and hope to have a start date of September 15 for resurfacing Illinois Route 159. The Director relayed to IDOT that the resurfacing work needs to be finished by Black Friday to which IDOT confirmed.

A motion and second was made to adjourn the Operations Meeting by Alderpersons Poletti/Wagner. All were in favor and the motion carried.

Adjournment 6:56 p.m.

MEMORANDUM

DATE: August 7th, 2026

TO: Elected Officials

FROM: Chief Steve Johnson

SUBJECT: **POLICE DEPARTMENT – MONTHLY REPORT FOR JULY 2026**

AGENDA ITEM

No Items

STATE OF THE DEPARTMENT

- The dates for our Senior and Citizens Academies have been set.
 - Senior Academy is for those 55+ and will run September 17th thru October 22nd.
 - Citizens Academy runs September 9th thru November 4th.
 - Spread the word and invite all of your constituents!
- A community event held at Pontiac / William Holliday schools was a blast! We always appreciate our city council members coming out to greet the community as well.
- Officers were involved in several vehicle crashes this month. It has strongly been addressed.
- FHPD hosted the State's Attorneys recently, for a day of training, learning and improving case coordination.
- Officers recently had an all-day active shooter rescue task force training at Holy Trinity School.
- Captain Beyersdorfer will officially retire on September 8th. We plan to celebrate him and the officers being promoted that night at 6 p.m. in the PD Center Court.
- New-hire police officer testing will be held on August 29th. Any qualified applicants wishing to test can fill out a simple online application at www.joinfhp.com

CRIME: The provided snapshot of activity is based upon computer-aided dispatch data. They are intended to provide a general sense of crime in the community.

***A critical element of professional policing is ensuring the response to resistance we use is appropriate, legal, within policy, reviewed for improvement and enhanced training and supervised. Below is an abbreviated summary of the instances of our response to resistance to arrest:**

Officers responded to a local motel for a report of a male burglarizing the vending machines. Officers located the male near the Metrolink but he fled into the woods. A short time later, officers on the perimeter located the male in a creek bank and ordered him to surrender at gunpoint. The male was taken into custody without further incident and no injuries.

Officers responded to a home for a reported Domestic Battery. They encountered an intoxicated male who refused to be placed under arrest. The male physically resisted by pulling away and attempting to escape. The male was taken to the ground without injury to stop his ability to physically resist. The male was handcuffed and later charged with Domestic Battery and Resisting Arrest.

Officers were called to a mental subject. Using CIT trained officers they attempted to calm him and de-escalate for nearly 17 minutes standing out in the open in front of a business. They determined the male was wanted on warrants and had been attempting to harm himself. When officers moved in to arrest the male, he suddenly attempted to stab an officer with a concealed reciprocating saw blade. An officer quickly established a clinch and took the male to the ground, while being taken down he tried to stab the officer but failed. The weapon was secured and the male taken into custody without injury. The male was charged with 3 counts of Agg Battery, and counts of Agg Assault of a Peace Officer and Resisting a Peace Officer.

A male fled a traffic stop on foot. The male was apprehended during a foot chase. During the apprehension, officers pointed their Tasers at the male while giving him commands to surrender. A bag of methamphetamine was located where the male had fled. No injuries.

Officers were called to a nuisance offender/habitual drunkard's home by family members as he was refusing to exit a vehicle that did not belong to him. Officers attempted to reason with him but he would

not cooperate. Officers attempted to arrest the man, who is missing an arm and a leg from a recent injury when he was hit by a train while intoxicated, but the man kicked, headbutted and spit at the officers. He kicked the squad car multiple times causing significant body damage to the squad. He grabbed an officer's gun and was forced onto the ground to limit his ability to attack the officers. He had to be physically pushed into the squad car. Neither the offender or officers suffered severe injuries.

Officers were conducting surveillance around an apartment complex at the request of the Major Case Squad for suspects wanted for murder. A suspect description was relayed to officers and an officer located the male walking. The officer ordered the suspect to the ground at gunpoint where he was arrested without further incident.

Below are warrants issued by the St. Clair County State's Attorney's Office for cases worked by the police department and their detention status this month.

<u>OFFENSE</u>	<u>DISPOSITION</u>		
Possession of Controlled Substan	Pending arrest		
Failure to Report Annually/2+, Fa	Detained

CASE NUMBER	CASE TITLE	CASE DESCRIPTION	STATUS	Green CASE OFFICER	DATE STARTED	TOTAL INSPECTIONS	ADDRESS	COUNCIL WARD	OWNERS
		Fairview Heights, IL 62208 (owned/occupied by Mr. Waters). I am submitting this anonymously because I wish to avoid any neighborhood friction or drama; I simply want the city to enforce the established safety and zoning codes to protect our street. The current condition of this corner lot represents a severe public nuisance, but more importantly, it contains critical life-safety and fire hazards that require urgent, coordinated intervention from your departments. I am reporting the following ongoing violations of the Fairview Heights Municipal Code and the adopted 2021 ICC Building/Maintenance Codes: 1. CRITICAL LIFE-SAFETY HAZARD: Illegal Occupancy & Lack of Egress (Violation of 2021 IRC Sec. R310 / IPMC Sec. 702) In addition to the primary residents, a second family frequently lives at this address for months at a time, violating residential zoning occupancy limits. More critically, individuals are living and sleeping in the basement. It does not appear that these basement rooms have the legally required emergency escape and rescue openings (egress windows/doors). Given the extreme fire hazards on the property, anyone sleeping in that basement is trapped in the event of an emergency. This home requires an immediate interior life-safety inspection by the Fire Marshal and Building Inspector. 2. Illegal Open Burning & Severe Fire Hazards (Violation of City Open Burning Ordinances & Fire Code) The occupant appeared to demolished a rear shed by filling it with garbage and debris, and intentionally burning it to the ground. More yard debris has since been piled onto the burn site for additional illegal fires. Furthermore, gas cans and other highly combustible materials are stored haphazardly and are constantly moving—one day they are by the garage, the next they are sitting out on the public sidewalk. This unpredictable storage of combustibles next to an active, illegal burn site is an imminent hazard. 3. Illegal Commercial Business in an R-Zone (Violation of Fairview Heights Zoning Ordinance - Home Occupations) The occupant is operating a commercial landscaping/lawn care business out of this residential property. The yard is being used as a commercial staging area to store heavy equipment, broken lawnmowers, and trailers. Commercial outdoor storage and the operation of a heavy-traffic business out of a residential lot blatantly violates city zoning and home occupation restrictions. 4. Severe Exterior Property Maintenance Violations (Violation of 2021 IPMC Sec. 302 Exterior Property Areas) The front, side, and rear yards contain an accumulation of loose trash, scrapped vehicle parts, a camper, trailers, and leftover construction supplies in violation of sanitation codes. Additionally, the primary residence and the two							

CASE NUMBER	CASE TITLE	CASE DESCRIPTION	STATUS	CASE OFFICER	DATE STARTED	TOTAL INSPECTIONS	ADDRESS	COUNCIL WARD	OWNERS
		accessory garages are visibly deteriorating and covered in water-damaged mold/mildew, violating minimum structural maintenance standards. 5. Improper Vehicle Storage & Traffic Obstruction (Violation of City Traffic & IPMC Sec. 302.8 Motor Vehicles) Due to the massive accumulation of equipment and junk in the driveways, the occupant's camper, utility trailers, and multiple vehicles are frequently parked on or partially obstructing the public street. This creates a daily bottleneck on the corner, restricting the safe flow of neighborhood traffic and potentially blocking emergency vehicle access. Request for Action: Because this complaint involves imminent life-safety egress issues, active illegal burning, and severe zoning violations, I respectfully request that Code Enforcement, Zoning, and the Fire Department prioritize this address. Please conduct a full interior and exterior inspection and issue the necessary abatement orders to ensure the safety of the occupants and the surrounding neighborhood.

26-003654	15-3-7 Overgrown Vegetation	I am reporting multiple property maintenance and safety violations at 9109 Summit Dr. The exterior of the home is severely overgrown, with wild plants and vegetation actively overtaking the structure. There is also an accumulation of trash, rubbish, and debris on the front and side yards with weeds and tree saplings growing directly through the piles, creating a potential harborage for pests. Furthermore, there appear to be unregistered and potentially inoperable vehicles parked on the property. Please have an officer inspect these violations.	complete	Jerry Schwartz, Chase Green	07/22/2026 at 10:08 AM	0	9109 Summit Dr	I	Karly Lorenzini

Animal Abuse	0	Require Scan for Chip	2
Animal Neglect	0	Wellness Check	3
Animal at Large	29	Other	2

Notable Code Violation Information

- 122 Primrose Ln – Two dead trees on the premises. Weekly citations will continue until the violations are brought into compliance. One dead tree is located in the front yard, and the additional dead tree has fallen along the fence line of an adjacent property. There is also overgrown vegetation present in the backyard that required maintenance.
- 9704 Old Lincoln Trl – Grass has been cut by the city, Grading and drainage in the front entrance of the cemetery was repaired by the Street Department to address the grading and drainage issues. However, there are still numerous damaged roads and drainage issues throughout the cemetery.
- 5513 Cory St (VACANT)– Unsafe conditions, vacant residence with multiple exterior maintenance issues, including damaged gutters, deteriorated soffit and siding, several broken windows, and a roof showing significant damage. The condition of the structure appears to be in disrepair.
- Plaza – Surfacing
- Chateau – Surfacing (CLOSED)
- 10850 Lincoln Trl (Big Lots Signage)
- 6900 N Illinois St – (Friday’s Signage)
- Target – Trash at the front entrance (CLOSED)
- Gabe’s – Pavement Markings (CLOSED)
- Pops Fish and Chicken Market – Food and Beverage Tax – WORKING
- 10716 Lincoln Trl – Pylon Sign (CLOSED)
- 6101 & 5909 N Illinois St – Surfacing
- 10601 N Illinois St – Parking Lot
- 10779 Lincoln Trl – Parking Lot
- 110 Ludwig Dr – Deck – (CLOSED)
- 122 Lincoln Hwy – Parking Lot
- Faith Church – Parking Lot (CLOSED)
- Franks – Parking Lot (CLOSED)
- 108 Cypress Dr – Weekly Citation for the derelict vehicle
- 14 Lindenleaf Ln – Keeping the cases open until the property owners move (Parking Rules, Accumulation of Junk & Trash, and Accumulation of Rubbish/Garbage)
- 4 Jubaka Ct – In consultation with Adam Hoerner, all violations have been fixed and the cases have been closed.
- 9940 South Rd – Next scheduled court date is 09/17/2026. The homeowner was told to make considerable progress by aforementioned date.
- 9180 Summit – Next scheduled court date is 08/20/2026.
- 9620 Old Lincoln Trl – Next scheduled court date is 09/17/2026.
- 95 Circle – Next scheduled court date is 08/27/2026.

- 1413 3rd Ave – Tickets were issued for the two derelict vehicles, accumulation of rubbish/garbage, and accumulation of junk & trash. The first court appearance is set for 08/13/2026. The city has cut the grass at the property two times. The city will be cutting the grass for a third time in the first week of August if it is not voluntarily cut.
- 8 Cozy Ln – Working with homeowners to remedy the violations. Scheduled to meet with owner's the second week of August.

Memo

To: Elected Officials
From: John Harty-Director of Public Works
CC: Directors
Date: August 7, 2026
Re: Director's Report

Oil and Chip Project, Moody Park Bid Results
(Agenda Item 1)

On Tuesday, August 11 at 2:00 p.m., bids for the current oil and chip project, Moody Park, will be opened and read aloud. The low/responsive bid with a recommendation will be reported at the meeting.

Asphalt Overlay Bid Results
(Agenda Item 2)

Bids for this fiscal year's Asphalt Overlay will be opened and read aloud on Tuesday, August 11 at 3:00 p.m. The results, as well as a recommendation, will be reported at the meeting. Below is the list of streets that have been selected for resurfacing.

Fairview Drive
Weinel Drive
Chateau Drive

City Council Chambers Renovation Bid Results
(Agenda Item 3)

Bids for the Renovation of the City Council Chambers will be opened and read aloud Wednesday, August 12 at 2:00 p.m. The results, as well as a recommendation, will be reported at the meeting.

➤ ***Elm, Oak, Cedar and Kadlec Drive***

Temporary Construction Easement letters will be mailed to residents in the next couple of weeks. The Department will schedule meetings with each resident to explain the project.

Engineering design work continues at this time. Both projects have had the field survey work done and they are both making progress. Oak, Elm and Cedar design work is approximately 80% complete and Kadlec is approximately 80%.

Both projects are in the pre final plan stage with potential utility conflicts being identified and remedied.

➤ ***I-64 Ramp Overlay and 159 Bridge Work***

Nothing new to report; the finish date is still projected to be September 15.

The ramp work is essentially complete.

The contractor started work on the IL 159 structure on July 8 with a tentative completion date in September.

In addition, there is a separate contract to resurface IL 159 from north of I-64 to Lincoln Trail which will likely begin in September and be completed before shopping season in November.

If all goes as planned, they will have it looking good for the Holidays.

➤ ***Old Collinsville Road from Lincoln Hwy to Ashland***

This project is substantially complete, only one curb ramp at Moto Mart has yet to be done.

➤ ***Longacre Drive from Rt 159 to Union Hill Road***

The work on this project began on July 20 with the concrete patches. The contractor, KRB Excavating, is making good progress as the patching is close to being complete between Union Hill and Ruby Lane.

I also mentioned at the previous meeting that the Salute to the Arts will be held in Moody Park August 28th to the 30th. The contractor is aware and will not hinder any traffic movement in that area during that time. The event hours are off hours for the contractor so there should be no construction activity during that time.

➤ **Old Collinsville Road/Ashland Avenue Turn Lane**

Nothing new to report; waiting on scheduling for the preconstruction meeting.

Bids for this project were opened on June 12 with Hank's Excavating & Landscaping the apparent low bidder with a proposal of \$649,527.02. There will be a preconstruction meeting scheduled for this project later this month. Construction will likely start in August.

➤ **Ashland Avenue Phase 1 and 2**

Nothing new to report.

Both phases of the Ashland Avenue improvement projects are in the design phase, construction of Phase 1 will take place next year with Phase 2 in the following year.

MOTIONS

Agenda Item 1

Move to send to City Council, with the recommendation of approval, the proposal from _____ for \$ _____ for the Oil and Chip program for this year, Moody Park.

Agenda Item 2

Move to send to City Council with the recommendation of approval the contract with _____ for the Asphalt Overlay Program for the sum of \$ _____.

Agenda Item 3

Move to send to City Council with the recommendation of approval the contract with _____ for the City Council Chambers Renovation for the sum of \$ _____.
