STATE OF THE DEPARTMENT REPORT

The Director presented his written report to the elected officials for their review to which there were no questions or comments.

CODE ENFORCEMENT

There were no questions or comments regarding Code Enforcement.

NEW BUSINESS

- A. The Chief relayed the Department received a side by side from ILEAS, which was State funded, and is registered to the City. He stated that a flat bed trailer was provided by ILEAS, but storing it is difficult because it needs to be kept inside. The purchase of an enclosed trailer would be better and response would be much quicker for City events as it would be close to the Police Department's facilities where it can be charged and ready.

The Mayor added that consideration was given for purchasing a shed to store the side by side, however, an enclosed trailer adds more versatility and believes this is the best solution.

Aldersperson Peck stated there are three quotes presented and the quote from 5W Trailers is the lowest quote. Aldersperson Wagner questioned if funds for this purchase are in the current budget which the Chief confirmed.

Motion and second to forward a Resolution to City Council with recommendation of approval for the Mayor to enter into a Purchase Agreement with 5W Trailers, Okawville, Illinois for the purchase of one Rock Solid 8.5 x 18 enclosed trailer for use by the Fairview Heights Police Department by Alderspersons Peck/Wagner. Roll call vote showed Alderspersons Frawley - yes, Winkeler - yes, Wagner - yes, Peck - yes, Poletti - yes. Motion carried.

- B. The Chief stated safety of the officers is top priority. He stated that the FBI's statistics show that officers are not just attacked by pistols, but also by rifle rounds. Currently, the plates that the officers carry are rated only for pistols and not rifles. The Chief is requesting to purchase plates for each officer.

Aldersperson Wagner questioned if funds for the purchase of the plates are in the current budget which the Chief confirmed.

Motion and second to forward a Resolution to City Council with recommendation of approval for the Mayor to enter into a Purchase Agreement with Leon's Uniform Company, St. Louis, Missouri, a distributor of Point Blank Ballistic Products, for the purchase of forty-nine Point Blank Omega rifle-rated ballistic plates for use by the Fairview Heights Police Department by Alderspersons Wagner/Poletti. Roll call vote showed Alderspersons Frawley - yes, Winkeler - yes, Wagner - yes, Peck - yes, Poletti - yes. Motion carried.

- C. The Chief stated that traffic safety is a high priority in the City. He stated that several years ago the City installed permanent speed signs of which many are failing due to age, the sun, technology, etc. In the current budget, under Traffic Calming, funds are available to replace failing signs. The Chief stated that since they intend to purchase six signs from the current budget, they are requesting less money in the upcoming budget.

Motion and second to forward a Resolution to City Council with recommendation of approval for the Mayor to enter into a Purchase Agreement with Warning Lites of Southern Illinois for the purchase of six Evolution 11 Radar Speed Sign Cloud Solar LED portable speed signs for use by the Fairview Heights Police Department by Alderpersons Peck/Wagner. Roll call vote showed Alderpersons Frawley - yes, Winkeler - yes, Wagner - yes, Peck - yes, Poletti - yes. Motion carried.

Public Works Committee

Aldersperson Bill Poletti

INTERGOVERNMENTAL AGREEMENT – FRANK SCOTT PARKWAY AT DEPAUL DRIVE

The Director of Public Works presented the agreement for Frank Scott Parkway at DePaul Drive for the third time as the language associated with the maintenance was changed. Therefore, the previous resolution is being amended to change the maintenance language.

Motion and second to forward a Resolution to City Council with recommendation of approval the amended intergovernmental agreement with St. Clair County, the Village of Swansea and JMT Enterprise Group, LLC for the construction of a signalized intersection at Frank Scott Parkway and DePaul Drive by Alderpersons Peck/Wagner. Roll call vote showed Alderpersons Frawley - yes, Winkeler - yes, Wagner - yes, Peck - yes, Poletti - yes. Motion carried.

DESIGN PROPOSAL – CITY COUNCIL CHAMBERS - WOOLPERT

The Public Works Director presented a design proposal from Woolpert regarding the remodeling of City Council Chambers. He stated that the City received a \$250,000.00 grant from Commerce and Economic Opportunity. Woolpert's design cost is \$38,400.00. The design is to combine Meeting Room A and the City Council Chambers into one room.

Motion and second to forward a Resolution to City Council with recommendation of approval the City Council Chambers design proposal from Woolpert for the architectural work associated with the remodel of the City Council Chambers for the sum of \$38,400.00 by Alderpersons Wagner/Winkeler. Roll call vote showed Alderpersons Frawley - yes, Winkeler - yes, Wagner - yes, Peck - yes, Poletti - yes. Motion carried.

SUPPLEMENTAL ENGINEERING AGREEMENT – KADLEC DRIVE – GONZALEZ COMPANIES, LLC

The Director of Public Works presented a Supplemental Engineering Agreement for design services for Kadlec Drive improvements. Existing drainage improvements need to be researched and captured which are associated with the Kadlec Drive improvements project. This area is the low point of the neighborhood. The Director believes, for \$11,000.00, it is important to make sure it can receive the drainage from Elvira, Belle and other roads in that neighborhood. This is a supplemental agreement and brings the total agreement to \$86,000.00.

Aldersperson Wagner stated that this project is in her and Aldersperson Brumfield's Ward 3 and that they receive countless complaints when it rains, and is well deserved.

Motion and second to forward a Resolution to City Council with recommendation of approval the Agreement for Supplemental Services from Gonzalez Companies, LLC for additional work

associated with the drainage improvements on Kadlec Drive for the sum of \$11,000.00 by Alderpersons Wagner/Frawley. Roll call vote showed Alderpersons Frawley - yes, Winkeler – yes, Wagner – yes, Peck – yes, Poletti – yes. Motion carried.

The Director presented his written report to the elected officials for their review to which there were no questions or comments.

The Director added that construction is due to begin again on Lincoln Highway between Barnes & Noble and Joseph Drive on March 16, however, this is weather dependent.

Alderperson Peck moved to adjourn the Operations Committee Meeting.

MEMORANDUM

DATE: April 9th, 2026

TO: Elected Officials

FROM: Chief Steve Johnson

SUBJECT: POLICE DEPARTMENT – MONTHLY REPORT FOR MARCH 2026

AGENDA ITEM

- The City of Fairview Heights Emergency Management Agency is an accredited agency through the State of Illinois. In times of disaster, emergency management utilizes all of its resources to mitigate the incident and restore our city. Many times, assistance is needed from County and State level agencies and having mutual aid agreements in place helps assist continuity of operations. From time to time, these agreements need to be updated. This agreement with the Illinois Emergency Services Management Association (IESMA) is one the city has participated in for many years and requires to be updated. **Staff requests committee approve and send to council a resolution allowing the mayor to enter in to a mutual aid agreement with the Illinois Emergency Services Management Association (IESMA).**

STATE OF THE DEPARTMENT

- Testing for new hire police officer was held at the end of February starting at about 90 applications. After conducting in-depth background investigations, we went from having 18 viable candidates to 11. We plan on interviewing the 11 remaining candidates towards the middle of April.
- Our department was recently gifted numerous gift cards to help those in need. Our partner, who wishes to remain anonymous, would like us to distribute them as the department sees fit. Officers have the option to, rather than write a ticket for no tail light, to gift a card to Auto Zone to get it fixed.
- A murder occurred in the 100 block of Bountiful on March 21st. Officers handled the apprehension of the suspect and investigation with great professionalism. Officers on scene were surrounded by many people who were intoxicated and under the influence and had to call for assistance from Illinois State Police, St. Clair County Sheriff's Department, Swansea Police, O'Fallon Police, Belleville Police and several others which quelled the large unruly crowd. Tactics, teamwork and professionalism worked.

***A critical element of professional policing is ensuring the response to resistance we use is appropriate, legal, within policy, reviewed for improvement and enhanced training and supervised. Below is an abbreviated summary of the instances of our response to resistance to arrest:**

Officers responded to a motel for a report of a domestic battery. The male subject tensed up, resisted and tried to pull away his arms away when officers attempted to arrest him. A controlled strike to the leg, as taught at our department training classes, was delivered which forced him to be taken safely into custody without injury or further incident. The suspect was charged with Domestic Battery and Resisting a Peace Officer.

Officers responded to the Metrolink for a disorderly male who had defecated in public. Officers encountered the male, who was verbally hostile. When the officers went to arrest him for Disorderly Conduct and Trespassing (he was refusing to leave the property), the male tensed up, resisted arrest and pulled away. Officers used grappling maneuvers, as taught at our department training classes, and took the suspect to the ground and secured him in handcuffs. No injuries.

Officers were called to a gas station disturbance after a male was released from FHPD custody due to the SAFE T Act. The male was threatening customers and employees with bodily harm inside of the gas station as well as officers. As the male was disregarding lawful orders by walking away and resisting arrest, an Officer used grappling maneuvers, as taught at our department training classes, and took the suspect to the ground and secured him in handcuffs. No injuries. He was charged with several criminal charges.

Officers were assisting Shiloh PD with a Domestic Battery where the suspect had fled in a vehicle from responding units and O'Fallon PD. An FHPD Officer encountered the suspect walking in Fairview Heights after abandoning his vehicle. The suspect was ordered to the ground and after initially refusing, he complied after the officer drew his Taser and pointed it at the male. He was not Tased.

Officers responded to a theft at the mall. An officer spotted the suspect running away across the parking lot. The Officer approached the male suspect and drew his Taser, pointing it at the suspect and ordering him to the ground. The suspect complied, and was apprehended without further incident. He was charged with several offenses.

Officers responded to a fast-food restaurant for reports of a male armed with a handgun, threatening to shoot another person. Officers arrived and drew their service pistols as they issued commands to the subject, who complied. The male was arrested for Disorderly Conduct.

Officers were responding to a report of a Homicide when they encountered the suspect leaving the area. The suspect reportedly used a handgun to commit the murder. Officers drew their pistols and issued commands to the suspect, taking him into custody without incident. The firearm with an extended magazine was also located. He was charged with 1st Degree Murder.

An officer was at Belleville Memorial Hospital when he was flagged down by security guards for assistance with a combative male. The male suspect began trying to physically batter the security guards and the Officer intervened and took the suspect to the ground. The officer used grappling maneuvers, as taught at our department training classes. He was detained until Belleville PD arrived and took over. The officer sustained a scratch to his elbow but the suspect had no injuries. He was charged by Belleville Police with several offenses.

Officers responded to the French Village Motel to search for an Aggravated Domestic Battery suspect. The male suspect was encountered in a motel room and when officers tried to arrest him, he pulled away and officers used grappling maneuvers, as taught at our department training classes, and took the suspect to the ground and secured him in handcuffs. No injuries.

26-000984	14-1-6 Complaint	Hello, I'm the owner of the Meineke next door to this property. Their drain spouts are pouring water into my property and causing major damage to the asphalt. We just got a quote to fix it for over \$3k. Additionally, the front of the store is getting to be filled with weeds and there is some debris out back. I'm not looking to start a confrontation but the property has been deemed unfit for use for over a year and it's getting bad for business. Please get the owner of the property to maintain it and change their water runoff.	active	Jeff Burrow, Jerry Schwartz	03/17/2026 at 10:33 AM	1	10716 Lincoln Trl	III	Jb Realty Investment Inc
